## GENERAL DESCRIPTION

The Leisure Centre houses a purpose built proscenium arch stage performing to a massive auditorium capable of seating 500+. The 1m high stage has black masking, three-phase power and wired bars. It has a performance area of 8000mm x 8000mm with a dressing room on either side. The rear load-in point is at truck height directly onto upstage centre. There is a talloscope ladder on-site in the auditorium and blackout for daytime focus. The venue's acoustics are workable.

## TOURING TIPS

- Bring your own sound equipment.
- At the time of this report, there was no tab curtain on the upstage tab track.
- At the time of this report, there was no onstage ladder.
