SHIRE OF WYNDHAM EAST KIMBERLEY

INTRODUCTION

Purpose of Delegated Authority

The aim of delegated authority is to assist with improving the time taken to make decisions within the constraints allowed by relevant legislation and to ensure decisions are made lawfully by the delegate. This is consistent with the Shire's commitment to a strong customer service focus. This Register details the related document(s) where the power to delegate is derived from, including the relevant legislation and policies of the Council. This enables easier cross-referencing. This Register will be reviewed in accordance with the *Local Government Act 1995* once every financial year. The co-ordination of the review will be performed through the office of the Chief Executive Officer.

Legislation

The *Local Government Act 1995* ('the Act') allows for a local government to delegate to the Chief Executive Officer the exercise of any of its powers or the discharge of any of its duties under the Act except those listed in section 5.43. All delegations made by the Council must be by absolute majority decision as per section 5.42 of the Act.

Matters Which Cannot Be Delegated

The following are decisions that cannot be delegated by Council to the Chief Executive Officer as per section 5.43 of the Act.

- Any power or duty that requires a decision of an absolute majority of the council;
- Accepting a tender which exceeds an amount determined by the local government;
- Appointing an auditor;
- Acquiring or disposing of any property valued at an amount determined by the local government;
- Any of the local government's powers under section 5.98, 5.98A, 5.99A, 5.99 and 5.100 of the Act (these relate to fees, expenses and allowances for Elected Members);
- Borrowing money on behalf of the local government;
- Hearing or determining an objection of a kind referred to in section 9.5;
- The power under section 9.49A(4) to authorise a person to sign documents on behalf of the local government
- Any power or duty that requires the approval of the Minister or Governor; or
- Such other duties or powers that may be prescribed by the Act.

Furthermore, the following regulations prescribe powers and duties which cannot be delegated to the Chief Executive Officer:

- Regulation 18G of the *Local Government (Administration) Regulations 1996* prohibits the delegation to a CEO of the powers and duties under:
 - a) Sections 7.12A(2), 7.12A(3)(a) and 7.12A(4) of the *Local Government Act 1995* (relating to meetings with auditors); and
 - b) Regulations 18C and 18D (relating to the selection and appointment of Chief Executive Officer's and reviews of their performance)
- Regulation 6 of the *Local Government (Financial Management) Regulations 1996* prohibits the delegation of the duty to conduct an internal audit to an employee (including a Chief Executive Officer) who has been delegated the duty of maintaining the local government's day to day accounts or financial management operations.

Delegations by the Chief Executive Officer to an Employee

Section 5.44(1) of the Act allows for the Chief Executive Officer to delegate any of the powers to another employee other than the power of delegation. This must be done in writing as per section 5.44(2). The Act also allows for the Chief Executive Officer to place conditions on any delegations if desired under section 5.44(4).

A register of delegations relevant to the Chief Executive Officer and other employees is to be kept and reviewed at least once every financial year as per section 5.46(1) and (2) of the Act. If a person is exercising a power or duty that they have been delegated, the Act requires that records be kept whenever the delegated authority is exercised as per section 5.46(3) of the Act.

The record is to contain the following information:

- How the person exercised the power or discharged the duty;
- When the person exercised the power or discharged the duty; and
- The persons or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty under Regulation 19 of *Local Government (Administration) Regulations 1996*.

Business units responsible for a work process are to ensure that data is captured and records managed in accordance with all legislation, as well as preparing reports to Council where required under a specific delegation. This includes recording of delegated authority of the Chief Executive Officer where applicable, once approved through a signed authority by the Chief Executive Officer.

A person to whom a power is delegated under the Act is considered to be a 'designated employee' under section 5.74(1) of the Act and is required to complete a primary and annual return each year.

There is no power for a person other than the Chief Executive Officer to delegate a power as stated in section 5.44(1) of the Act.

Officers must refer to relevant legislation prior to making any decisions under delegated authority.

Acting Through

The Act does not specifically define the meaning of the term "acting through", however section 5.45(2) states;

"Nothing in this Division is to be read as preventing –

- (a) a local government from performing any of its functions by acting through a person other than the CEO; or
- (b) a CEO from performing any of his or her functions by acting through another person."

The Department of Local Government & Communities Guideline No.17 - Delegations, establishes the principal issue in determining whether a statutory function or duty is suitable for 'acting through' is that, where the statute provides no discretion in carrying out a function or duty, then the function or duty may be undertaken through the 'acting through' concept.

Conversely, where the statute allows for discretion on the part of the decision maker, then the function must be:

- delegated; or,
- where applicable a person authorised; or,
- a policy implemented that provides sufficient control,

for another person to have that authority and fulfil the function or duty.

Where considered appropriate and effective in operation, discretionary matters will be determined by Council through policy. The policy decision may then be implemented by officers through the 'acting through' concept. In these instances, there is no need for a delegated authority as it is the responsibility of the Chief Executive Officer to implement the Council's policies.

Council Appointed Authorised Persons & Officers

Under certain legislation, Council is not able to delegate the responsibility for appointing authorised persons to the Chief Executive Officer. In these instances, appointment of authorised persons must be approved directly by Council. Although these authorisations do not have delegated authority, they are included in this register for ease of reference and review.
