

Please note:

In January 2017, the **publication format** for Ordinary Council Meeting Agenda, Attachments and minutes was changed to provide easier access for those documents.

The location of these documents on the Shire's website has also changed. The new location for Agenda, Attachments and Minutes is:

Home/Council/Council Meetings

The page you are now viewing hosts *historical Agenda (which include attachments) and Minutes*. No further documents will be published to this page.
