EXPLANATORY NOTES:

1. Legislation

The *Local Government Act 1995* does not specifically mention the use of corporate credit cards by officers in a local government. However, Section 6.5(a) of the Act requires the CEO to ensure that proper accounts and records of the transactions and affairs of the local government are kept in accordance with regulations. In addition, Regulation 11(1)(a) of the *Local Government (Financial Management) Regulations* requires the local government to develop procedures for the authorisation and payment of accounts to ensure that there is effective security and appropriate authorisation in place for the use of credit cards.

2. Advantages of Credit Cards

- c. reduce the number of payments made per month;
- d. provide a useful resource in remote and emergency situations;
- e. reduce the need to carry cash;
- f. reduce cash purchases;
- g. effectively support on-line purchases (over the internet);
- h. effectively support on-line registrations (over the internet); and
- i. provide an effective audit trail of expenditures.

This Policy aims to incorporate the necessary controls to ensure that the risk is mitigated.
