PURPOSE:

This Policy will establish the principles, constraints, criteria and administrative guidelines for the allocation and utilisation of Shire borrowings to finance self-supporting loans for community based organisations that lease/occupy land or buildings owned or vested in the Shire of Wyndham East Kimberley for the purposes of capital asset acquisition or development.

This Policy will establish the framework within which the Council may consider provision of self-supporting loans to community based organisations, subject to the financial position of the Shire, prevailing budget circumstances, forecast funding requirements for municipal requirements and capital projects, competing demands for funds, debt financing structure and the capacity of the Shire to borrow.

DEFINITIONS:

Community Based Organisation is an incorporated, not for profit, service group or association.

POLICY STATEMENTS:

This Policy applies to all requests received from community based organisations for financial support by way of self-supporting loans. The Policy limits the availability of self-supporting loans and provides a guide to the eligibility and assessment criteria for each request.

Self-supporting loans will only be considered for capital asset acquisition or development and will not be approved by the Council for operational equipment or operating expense purposes.

The Council will only consider applications where the applicant has exhausted all other financial avenues, such as grants, sponsorship, fundraising or application for credit from a lending institution.

The Shire will only provide access to self-supporting loans in exceptional circumstances and when financial circumstances permit. There must be compelling evidence of positive benefits to the community if the Shire was to provide a self-supporting loan.

This Policy establishes a framework aligned to financial standards and indicators in the determination of the Shire's capacity to provide financial assistance to community based organisations by way of self-supporting loans.

Self-supporting loans are loans taken out by the Shire of Wyndham East Kimberley on behalf of community clubs or community organisations who undertake to meet the capital, interest and loan guarantee payments as and when they fall due.

1. Application Requirements

- 1.1. The applicant must lease/occupy land or buildings owned or vested in the Shire of Wyndham East Kimberley.
- 1.2. The loan can only be used for the construction and/or acquisition of capital assets.
- 1.3. All Self-Supporting Loan applicants shall provide the following information for assessment:-
 - 1.3.1. The Shire's Self-Supporting Loan Application (Appendix A to this Policy) completed in full.
 - 1.3.2. Audited financial statements for 3 (three) years to demonstrate the ability to repay the loan.
 - 1.3.3. Statement demonstrating alternative funding options have been investigated prior to seeking the Shire's assistance and the reasons why they weren't successful.
 - 1.3.4. Statements demonstrating the need for the loan together with a business plan for the construction and/or capital acquisition which is to include detailed costings and an overall budget.
 - 1.3.5. Forward financial plans to cover the term of the loan which are certified by a Certified Practising, Chartered or similarly qualified and experienced Accountant.
 - 1.3.6. Certificate of incorporation.
 - 1.3.7. Statements of satisfactory past payment history from at least three (3) principal suppliers, the Shire may be included where such history exists.
 - 1.3.8. Minutes from the meeting that the motion for a self-supporting loan was put to.
 - 1.3.9. Any additional information that will assist the Council with consideration of the application.

2. Assessment of Applications

2.1. The assessment of applications will be undertaken by the Coordinator Financial Management and the Director Corporate Services who will then put a recommendation to the Audit (Finance and Risk) Committee for consideration by the Council on the outcome.

2.2. Matters that are to be considered include:-

- a) The current number of self-supporting loans the Shire may have.
- b) The Shire's Long Term Financial Plan and forecast debt financing capacity across the prospective life of a requested loan.
- c) Regulated borrowing limits as determined by WA Treasury Corporation.
- d) Debt Service Coverage Ratio (calculated as annual surplus before interest expense and depreciation divided by annual debt service payments) meets the required Department of Local Government Standard. Below is the indicator which is used by the WA Treasury Corporation in considering loan applications from the Shire:-
 - i. Standard is NOT met if ratio is less than two (2).
 - ii. Basic Standard if ratio is between two (2) and five (5)
 - iii. Advance Standard if greater than five (5)
- e) Annual budget and current financial position of the Shire.
- f) Compliance with legislative requirements associated with borrowing monies in accordance with section 6.20 of the *Local Government Act 1995*.

2.3. Assessment of Applications will be based on:-

- 2.3.1. Perceived ability for the loan repayments to be made on time and for the loan to be paid in full at the end of the loan period.
- 2.3.2. Benefit to the wider community.
- 2.3.3. The community organisation that is applying for the loan must have been in existence for 5 years and can clearly demonstrate a stable and / or increased membership.
- 2.3.4. The life of the capital asset acquisition or development exceeds the life of the self-supporting loan.
- 2.3.5. Whether all other funding options have been fully exhausted.

3. Term of Loan

3.1. Shall not exceed the term of any existing lease agreement.

3.2. The term of the loan should be less than or equal to the half-life of the capital asset acquisition or development being undertaken. This enables the community base organisation sufficient time to set aside a cash reserve for future refurbishment or replacement. If the term of the loan is longer than half-life of the capital asset acquisition or development being undertaken the organisation is to demonstrate how it will fund future refurbishment or replacement whilst still servicing the loan.

3.3. The term of the loan can be less than the maximum if the Applicant has the ability to repay the loan over a shorter timeframe.

Self-Supporting Loan Amount	Maximum Term of Loan*
Up to \$50,000	5 years
\$50,000 - \$99,999	10 years
\$100,000 and above	15 years
<i>*Note that these are indicative only and will be dependent upon each application</i>	

4. Approval Requirements

4.1. The final decision on the granting of a Self-Supporting Loan will be by resolution of the Council.

4.2. A 'Deed of Loan' for the period of loan repayments is to be prepared and executed as contractual evidence for repayment of the loan.

4.3. For each year of the loan an independently audited end of year financial statement must be supplied to the Shire.

4.4. If requested by the Shire, a profit and loss statement must be produced within three (3) weeks of the request being made.

4.5. No community based organisation can have more than one (1) self-supporting loan at any one time.

4.6. The loan will not include a redraw facility.

5. Administration Costs and Loan Guarantee Fees

The following costs incurred by the Shire of Wyndham East Kimberley will be recouped from clubs or organisations applying for self-supporting loans:

5.4. Stamp duties or other duties or taxes applicable to the self-supporting loan application or documentation, will be on charged to the applicant at actual cost;

5.5. Any additional charges associated with the self-supporting loan.

6. Loan Default

6.1. Any default of loan repayments will incur penalty interest as determined by the Council when setting the fees and charges, unless arrangements have been made with Council, prior to the re-payment being defaulted.

6.2. If the community base organisation defaults on a loan, it will not be permitted to receive any further self-supporting loans from the Council until the outstanding loan is repaid in full.

6.3. In exceptional circumstances this may be reviewed, but not until the timeframe allowed for the initial loan expires.
