POLICY STATEMENTS:

1. OBJECTIVES

The primary objective of the Audit (Finance and Risk) Committee is to accept responsibility for the annual external audit and liaise with the Shire's auditor so that Council can be satisfied with the performance of the Shire in managing its financial affairs.

Reports from the Committee will assist Council in discharging its legislative responsibilities of controlling the Shire's affairs, determining the Shire's policies and overseeing the allocation of the Shire's finances and resources. The Committee will ensure openness in the Shire's financial reporting and will liaise with the CEO to ensure the effective and efficient management of the Shire's financial accounting systems and compliance with legislation.

The Committee is to facilitate –

- effective management of financial and other risks and the protection of Council assets;
- compliance with laws and regulations as well as use of best practice guidelines relative to audit, risk management, internal control and legislative compliance; and
- the provision of an effective means of communication between the external auditor, the CEO and the Council.

2. POWERS OF THE COMMITTEE

The Audit (Finance and Risk) Committee is to report to Council and provide appropriate advice and recommendations on matters relevant to its term of reference.
