 Chief Executive Officer

The Eastern Metropolitan  
 Regional Council proposes to  
 make a local law relating to  
 the operation of its waste  
 management facilities.

The purpose of the local law  
 is to provide for the orderly  
 regulation of the disposal of  
 waste and the payment of  
 fees for that disposal at the  
 Red Hill Waste Management  
 Facility and the Hazmat  
 Resource Recovery Park.

The effect of the local law is  
 to result in:

• The control of the nature of  
 waste disposed of at a  
 waste disposal site and  
 where that waste is placed  
 within the site.

• The payment of the  
 appropriate fee by any  
 person disposing of waste  
 at a waste disposal site.

• The orderly movement of  
 vehicles entering and  
 leaving a waste disposal  
 site.

• The capacity for  
 employees operating  
 waste disposal sites to  
 give enforceable  
 instructions to any person  
 utilising a waste disposal  
 site and

• The protection of property  
 at a waste disposal site.

A copy of the proposed local  
 law may be inspected at  
 or obtained from the EMRC,  
 228 Great Eastern Highway,  
 Belmont between the hours of
