MRS Amendment 1411 (Complex) - North Ellenbrook (East)
The Western Australian Planning Commission (WAPC) is seeking public comment on a proposal to amend the Metropolitan Region Scheme (MRS) for land in the City of Swan. The MRS Amendment proposes to transfer approximately 504.23 ha in Bulbrook from Rural zone to Urban Deferred zone and Regional Open Space reservation. The proposed amendment will primarily facilitate future residential development, school sites, district open space and areas for Public Open Space and environmental conservation. The proposed amendment is to be progressed as a complex region scheme amendment as it is considered a substantial change in the North Ellenbrook locality due to the size and scale of the proposal and the establishment of a new Urban area. The Amendment Report and plans showing the proposed change can be viewed online at <https://haveyoursay.dph.wa.gov.au>. Submissions close **Monday 16 June 2025** and can be lodged online, via email to regionplanningschemes@dpw.wa.gov.au, or posted to: The Secretary, WAPC, Locked bag 2506, PERTH WA 6001. Late submissions may not be considered.

MRS Amendment 1395/57 (Minor) - Rationalisation of Midland Brick Landholdings
The Western Australian Planning Commission (WAPC) is seeking public comment on a proposal to amend the Metropolitan Region Scheme (MRS) for land in the City of Swan. The amendment proposes to transfer approximately 23.7 ha of land in Middle Swan from the Rural and Industrial zones to the Urban zone and Regional Open Space reserve in the MRS. Rationalisation of Bush Forever Site 302 with the addition of 0.14 ha, and removal of 0.14 ha is also proposed. The amendment defines the boundary between the Urban zone and the new Regional Open Space reservation for the Swan River foreshore. The proposed Urban zoning will allow for primarily residential subdivision following a local scheme amendment, detailed structure planning and subdivision approval. The proposed amendment is to be progressed as a minor region scheme amendment under the former section 57 of the Planning and Development Act 2005 as it does not constitute a substantial alteration to the region scheme and is generally consistent with the State and Strategic Planning Framework. The Amendment Report and plans showing the proposed change can be viewed online at <https://haveyoursay.dph.wa.gov.au>. Submissions close **Friday 13 June 2025** and can be lodged online, via email to regionplanningschemes@dpw.wa.gov.au, or posted to: The Secretary, WAPC, Locked Bag 2506, PERTH WA 6001. Late submissions may not be considered.
