Impact of COVID-19

It should be noted that in response to the COVID-19 pandemic a number of initiatives have been put in place to assist ratepayers, businesses and the community in general that impact the Shire's debt collection processes. These include the adoption of Council policy *CP/FIN-3219 COVID-19 Financial Hardship - Rates and Sundry Debtors* to allow those experiencing financial hardship to apply for debt relief including the waiver of interest and fees and charges, and minor amendments to the existing policy *CP/FIN-3212 Rates and Charges Debt Collection* to allow for extended payment arrangement terms and for greater discretion in debt collection. In addition legal action has been placed on hold for most outstanding rates debtors.

To date nine applications for Financial Hardship have been received from ratepayers. Seven of these have been approved and one is under assessment. Outstanding balance of approved assessments totals \$123,511.

The total percentage of rates collected for this period in 2019/20 financial year was 79.29% compared to 78.71% this financial year.

This financial year the Shire has seen less people take up the Instalment payment options, however there has been a similar number opting for a Payment Arrangement.

COMMITTEE RESOLUTION

Minute Number: AC487

That the Audit (Finance and Risk) Committee reports to Council that the actions being undertaken by the administration in regard to sundry debtors including sundry debts in legal process are sufficient and appropriate.

Moved: Cr T Chafer

Seconded: Cr M McKittrick

Decision: 2/0

PURPOSE

To review the status of sundry debtors, including airport debtors, and sundry debts in legal process.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Leader - plan and provide direction through policy and practices.

BACKGROUND/PREVIOUS CONSIDERATIONS BY COUNCIL/COMMITTEE

The listing of 90+ day sundry debtors was provided at the Ordinary Council Meeting on a monthly basis until March 2009 when Council resolved that the 90+ days debtor list be removed from the Council Agenda as a standing item and be presented to the Audit (Finance and Risk) Committee (Committee) for consideration and to make recommended actions to Council as this falls within the scope of the committee's purpose.

In line with the more strategic focus of the new Committee the report in April 2012 only included debtor balances at 90+ days and over \$500.

To further progress this strategic focus this item has been changed to provide summary information regarding all sundry debts including airport landing fees administered by Avdata on the Shire's behalf.

Further changes were recommended to the Audit Committee at the February 2014 meeting to modify the report by removing the categories previously reported and to report sundry debtors as a whole, with airport debtors still being identified separately and that only debtors in excess of \$20,000 be provided with more detail. These changes were supported by the Committee and have been considered in the writing of this report.

STATUTORY IMPLICATIONS

This item in a Council Meeting needs to be discussed behind closed doors under Section 5.23. (2) (e) (iii) of the *Local Government Act 1995* because the item may disclose information about the business, professional, commercial or financial affairs of a person and because the item also contained legal advice to the Council.

POLICY IMPLICATIONS

Policies relevant to this item:

Council Policy *CP/FIN-3214 Sundry Debt Collection*

Council Policy *CP/FIN-3219 Covid-19 Financial Hardship - Rates and Sundry Debtors*

FINANCIAL IMPLICATIONS

Legal fees may be incurred to recover debts or revenue written off if debt recovery is considered not economically viable.

It should be noted however, that as outlined in section 9.1 of the *CP/FIN-3214 Sundry Debt Collection Policy*, when possible 'Debt collection and legal fees associated with the recovery of outstanding debts will be recovered from the sundry debtor to the extent allowable under legislation and will be assessed on a case by case basis'.

Focus Area 4: Civic Leadership

Goal 4.4: Sustainably maintain the Shire's financial viability

Strategy 4.4.4: Apply best practice financial management to ensure long term sustainability

Control: Policies updated in accordance with schedule and operational requirements.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Leader - plan and provide direction through policy and practices.

BACKGROUND/PREVIOUS CONSIDERATIONS BY COUNCIL/COMMITTEE

The Audit (Finance and Risk) Committee has as one of its functions to facilitate the effective management of financial and other risks and the protection of Council assets. The Shire administration is currently allocating time and resources to risk management and it is appropriate that the Shire's risk performance is reported to the Committee as a standard report on a quarterly basis.

STATUTORY IMPLICATIONS

This item in a Council Meeting needs to be discussed behind closed doors under Section 5.23.(2)(a) and Section 5.23.(2)(e)(iii) of the *Local Government Act 1995* because the item deals with a matter affecting an employee or employees, and because the item may disclose information about the business, professional, commercial or financial affairs of a person.

POLICY IMPLICATIONS

The following Shire documents are relevant to this report:

- Corporate Insurance Strategy
- CP GOV-3108 Risk and Opportunity Management Policy

FINANCIAL IMPLICATIONS

Insurance premiums have been considered in the 2019/20 and 2020/21 budget processes. The Shire has in terms of its insurance policy, insurance excesses that it has to absorb as a "first loss" in the event of a claim. These excesses are set out in the detailed insurance schedules accompanying the insurance policies.

There are no other financial implications arising out of the preparation of this report.

STRATEGIC IMPLICATIONS

Strategic Community Plan 2017-2027

Focus Area 4: Civic Leadership

Goal 4.4: Sustainably maintain the Shire's financial viability

Goal: 4.3: Ensure a strong and progressive organisation delivering customer focused services

Strategy 4.3.2: Create a culture that encourages innovation, collaboration, best practice and organisational discipline to improve efficiency, effectiveness and productivity

Strategy 4.4.4: Apply best practice financial management to ensure long term sustainability

RISK IMPLICATIONS

Risk: Failure to manage the appropriateness and effectiveness of the Shire's systems and procedures in relation to risk management, internal control and legislative compliance.

No community engagement is required.

COMMENTS

The Terms of Reference for the Audit (Finance and Risk) Committee set out as one of the objectives to "facilitate the effective management of financial and other risks and the protection of Council assets". Part of the *Local Government Operational Guidelines Number 09 - Audit in Local Government* identifies that "good audit committee practices in monitoring internal control and risk management programs typically include: assessing the adequacy of local government processes to manage insurable risks and ensure the adequacy of insurance cover, and if applicable, the level of self-insurance."

The attachments detail the cost of claims across four categories where claims were made for the financial years 2019/20 and 2020/21. These can be summarised as follows:

	2019/20 (Q1 - Q4)		2020/21 (Q1 - Q2)	
	Estimated Costs	Number of Claims	Estimated Costs	Number of Claims
WorkCare	\$96,764	10	\$140,000	4
Property	\$22,792	3	\$33,440	5
Liability	\$0	0	\$1,500	1
Motor Vehicle	\$12,502	4	\$1,405	1
Total	\$132,058	17	\$176,345	11

Ten WorkCare claims were lodged during the 2019/20 year, of which two are listed as current on the attached report. Both of the listed current claims have been rejected. The total paid to date for accepted claims is \$96,764 and there are no further costs anticipated for these claims.

There have been four claims submitted to date in 2020/21 with the total paid to date of \$5,945 and estimated total costs of \$140,000.

The Shire recruited a Safety and Wellbeing Officer in 2019 to assist in the development, implementation and management of the Shire's Workplace OSH processes, procedures, as well as coordinating health and wellbeing programs and initiatives. The Shire has also been working closely with its insurers, LGIS, to provide training to all staff on their responsibilities for maintaining a safe workplace. This has resulted in more instances of reporting but has not changed the number of claims made. Incident reporting has provided valuable data to enable the Shire to better manage its risk. This has positive implications for the cost of insurance.

There were three claims for property damage lodged during the 2019/20 year totaling \$22,792. There have been five claims lodged to date in 2020/21 with the total paid to date of \$2,900 and estimated total costs of \$33,440.

There was one liability claim lodged for the 2019/20 year with estimated total costs of \$1,500. There have been no claims lodged to date in 2020/21.

Four Motor Vehicle claims were lodged for the 2019/20 year with costs totaling \$12,502. There has been one claim to date in 2020/21 with total costs of \$1,405.

STATUTORY IMPLICATIONS

FINANCIAL IMPLICATIONS

There are no direct financial implications from the preparation of this report however a number of lessees have applied for financial hardship relief either under the Shire's Covid-19 Financial Hardship Policy or through requests for deferment or waivers of lease fees. Council approved waivers of lease fees and other charges for three lessees in the ordinary council meeting held on 27 October 2020 totaling \$24,041.44. The Annual Budget process estimated that the revenue from lease income is expected to reduce by approximately \$48,700, which is approximately half of the regular lease income.

COMMUNITY ENGAGEMENT

The Shire of Wyndham East Kimberley CP/GOV-3100 Community Engagement Policy has been considered in relation to this item.

No community engagement is required.

COMMENTS

Shire officers are currently working on eight outstanding new and renewal leases. While the Shire is making every attempt to finalise the remaining leases as soon as possible, control over the timeline in progressing the leases is not vested entirely in the Shire. Details of outstanding leases are contained in Attachment 2.

Due to Covid-19 restrictions on movement and gatherings some organisations have not been able to meet in order to pass resolutions. This has affected Shire Officers in being able to progress aspects of those leases that are not as yet finalised.

As stated above there is an expectation that lease revenue for the financial year will be halved due to the impact of Covid-19.

COMMENTS

The preparation of the compliance return for 2019/20 is substantially the same as the 2018/19 compliance return. There are a number of changes in the document that reflect changes in legislation and the associated regulations. The Shire has met its compliance obligations as set out in Attachment 1.

There were four matters to be noted in the finance section where action is required by the Shire Officers. Under S7.12A(3), S7.12A(4)(a), S7.12A(4)(b) and S7.12A(5) the Shire has determined that the item raised in the Auditor's Report relating to the Operating Surplus Ratio required action. The Shire has further prepared a report stating what action will be taken, will be forwarding a copy of the report to the Minister within three months and will publish a copy of the report on the Shire website.

COMMENTS

Following the proclamation of the *Local Government Amendment (Auditing) Act 2017* all local government audits in Western Australia are to be conducted by the Office of the Auditor General. Where a local government had an existing contract in place with an Auditor this requirement came into effect on the expiry or termination of the existing contract. The Shire had an existing audit contract in place with Moore Australia for the financial years from 2015/16 to 2019/20. This contract expired upon the completion of the audit of the annual financial statements for the 2019/20 financial year. Officers have contacted the Office of the Auditor General to commence planning for the 2020/21 audit.

The above change does not affect the responsibilities of the Audit (Finance and Risk) Committee and there are no requirements to change the Terms of Reference which have been reviewed with no changes made.
