President's Report July 2023

Introduction

I recently travelled to Canberra with the WALGA CEO ahead of an ALGA Board Meeting. Given the importance of the relationship between the Commonwealth and Local Government we took the opportunity to engage with several key Ministerial offices during the visit.

An in-person meeting with the Minister for Local Government Kristy McBain, provided an important opportunity to highlight our concerns regarding the recently announced Independent Strategic Review (the Review) of the Infrastructure Investment Program. Advice that key programs including Roads to Recovery and Federal Black Spot were within scope of the review is of concern and I advocated strongly that WALGA have the opportunity to provide a submission to the Review panel. I'm pleased that this opportunity has now been provided demonstrating the importance of constructive relationships with Commonwealth Offices.

Successful meetings were also held with the offices of the Minister for Emergency Services and Minister for Infrastructure and Development. I also met with the Shadow Minister for Local Government ensuring there is a bipartisan understanding of the challenges facing the sector in WA. The consistent message I received in Canberra was the importance of WA voices being heard in the Nation's Capital. The strength of numbers from WA attending this year's Annual General Assembly should ensure that objective is met this year.

It has been a busy time politically in WA with the resignation of former Premier Mark McGowan and the appointment of the Hon Roger Cook as Premier of WA. Premier Roger Cook has announced his new Cabinet, on 7 June 2023, with the full list [here](#).

There is one new Cabinet appointment, and of most interest to Local Government, that of David Michael MLA as the Local Government Minister. He also takes on the portfolios of Ports; Road Safety and Minister assisting the Minister for Transport. Many of you would remember Minister Michael as a member of State Council for eight years from 2009–2017, as well as a Stirling Councillor from 2005–2017.

Outgoing Local Government Minister John Carey MLA is now Minister for Planning; Lands; Housing; and Homelessness. As anticipated Deputy Premier Rita Saffioti MLA is promoted to Treasurer, retains Transport and adds Tourism. Premier Cook assumes the portfolios of State and Industry Development, Jobs and Trade; Public Sector Management; and Federal-State Relations, arguably the more traditional portfolios associated with the role of Premier.

From a Local Government perspective, most of the other key portfolios to our sector are business as usual with Minister Dawson retaining Emergency Services, Minister Punch Regional Development and Minister Johnston Industrial Relations.

Advocacy

Western Power Street Lighting Prices

On 27 April, the Economic Regulation Authority (ERA) published Western Power's draft 2023-24 price list, which included a proposed 43.85% hike in street lighting prices. This was met with universal swift condemnation by WALGA and many vocal Local Governments. CEO Nick Sloan emailed all Local Government CEOs on 28 April encouraging all Local Governments to tailor a submission to the ERA, highlighting the financial impacts of such an increase in street lighting tariffs.

WALGA wrote to ERA CEO Steve Edwell highlighting strong concerns about the proposed increase by Western Power, noting it was significantly higher than the 2.81% assumed charge in the 2022-23 Budget papers, was without justification and was ill-timed as most Local Governments were close to completing their annual budgets. WALGA wrote to the Ministers for Energy and Local Governments also, highlighting its dissatisfaction at Western Power's request.

The story broke in The West Australian on 3 May, featuring my comments on behalf of the sector and was followed up by most media the following day, with further comments and interviews. Many Local Governments also made their views known. On 17 May the ERA published its price list, with the increase in street lighting tariffs kept to 7.5%. The media again picked up on the story, with our comments again appearing in many metropolitan and regional news publications and television news bulletins.

State and Federal Budgets

The Federal and State Budgets handed down in May 2023 had a strong focus on providing cost of living relief to households while trying to not to add to inflation.

The Federal Budget retained its commitment to a number of important programs for Local Government but there were few new spending announcements. It was disappointing that the Government did not deliver on its commitment to a fair and reasonable increase in Financial Assistance Grants. This year, \$3.1 billion has been provided for Financial Assistance Grants funding, with WA to receive \$376.9 million. Financial Assistance Grants now represent 0.5% of total Commonwealth Tax revenue, down from 0.52% in 2022-23. The Government has indicated that it will continue to work with states in relation to the financial sustainability of the Local Government sector, including advancing 75% of funding "earlier than would usually occur".

The State Budget provided funding for a number of important areas identified in WALGA's State Budget Submission and ongoing policy and advocacy work, including funding for the Urban Greening Grants Program, Government Regional Officers Housing and the Community Sport and Recreation Facilities Fund and to support the implementation of the new *Aboriginal Cultural Heritage Act 2021*. Unfortunately, there was no additional funding allocated for the Community Emergency Services Manager (CESM) Program which would have boosted Local Governments' capacity to support their communities in the preparation, response and recovery from emergency events such as bushfires and flooding.

Regional GP Services

We were successful with our advocacy requesting a tender exemption for rural GP's. The Minister for Local Government listen to the sector and introduced amendments to the Local Government Functions and General Regulations to provide an exemption from the requirement to seek public tenders where a Local Government is extending, varying, or renewing a contract. This will make it easier for Local Governments to vary and extend contracts relating to the provision of medical services. However, Local Governments will still need to go through a public tender process when first engaging a General Practitioner.

In respect to the tender for first engaging a GP, WALGA is preparing a template tender document to assist Local Governments and General Practitioners in responding to a tender.

Local Government Amendment Act 2023

The Local Government Amendment Act 2023 received assent in May, however very few of the provisions have commenced at the time of writing. The priority of the Government will be to commence Act provisions and introduce new regulations relating to the election process and this is expected by the end of June 2023.

Two specific amendments will not commence for the 2023 elections:

- Caretaker Provisions are planned to commence in time for the 2025 Local Government elections; and
- Owner Occupier roll amendments that will introduce new provisions requiring specific 'right of occupancy' legal instruments that will determine enrolment eligibility also to be introduced for the 2025 elections.

WALGA is also collaborating with the WA Electoral Commission and Department of Local Government, Sport and Cultural Industries in practical election preparations including planning for a state-wide Candidate Information Briefing, delivery of in-house candidate briefings organised by Local Governments and a webinar on the Owners and Occupiers Roll.

Aboriginal Cultural Heritage Act

The new *Aboriginal Cultural Heritage Act 2021* commences on 1 July. I have written to the Minister for Aboriginal Affairs requesting support for the sector in the transition to the new Act through the provision of a dedicated Local Government ACH Act Facilitator, training, guidance materials, additional DPLH regional officers and an extension of grant funding project timeframes.

Convention

The website for the 2023 WALGA Convention has been launched, registrations opened, and three speakers announced – Melbourne Cup winning jockey Michelle Payne (Tuesday breakfast), Futurist and Author Gihan Perera (Mayors & Presidents Forum) and Business Disruptor and Transformer Dominic Thurbon (Keynote). Speakers for the two Plenary Sessions on Regional Housing and Active Mobility are being secured and Sponsorship Prospectuses have been finalised and sent out.

Item / Matters for Decision	WALGA Recommendations
<p>7.1 Review of Urban Forest Advocacy Position</p>	<p><i>That WALGA endorse a new Advocacy Position 4.6 Urban Forest as follows:</i></p> <p><i>To promote the growth of Western Australia’s urban forest the State Government should:</i></p> <ol style="list-style-type: none"> <i>1. Identify a lead agency with responsibility for setting the strategic direction and oversight of urban forest initiatives.</i> <i>2. In consultation with Local Government:</i> <ol style="list-style-type: none"> <i>a. Develop an Urban Forest Strategy, based on the overarching principles of a resilient, connected, expanded and equitable urban forest including:</i> <ol style="list-style-type: none"> <i>i. an overall tree canopy target for the Perth and Peel regions,</i> <i>ii. robust and contemporary data to inform decision making,</i> <i>iii. funding mechanisms to support growth in urban canopy.</i> <i>b. Develop contemporary legislative and policy mechanisms to enable the protection and growth of urban forest, including:</i> <ol style="list-style-type: none"> <i>i. an effective and efficient regulatory mechanism that allows Local Government to consider the removal or alteration of a significant tree as a form of development.</i> <i>ii. prioritisation of trees and vegetation as a key structural element in the design of new neighbourhoods to facilitate climate resilient and liveable communities.</i> <i>iii. consideration of public realm design to maximise opportunities for tree retention and new planting consistent with any tree canopy targets.</i> <i>3. Work with Local Government and other stakeholders to increase community awareness and promote behaviour change in relation to urban forest growth and retention to support State and Local Government targets and action.</i> <i>4. Provide recurrent funding for a comprehensive and accessible Urban Greening Grant program to support Local Government investment in public realm planting, focusing on high urban heat areas and enhancing biodiversity outcomes.</i> <p>Executive Summary</p> <ul style="list-style-type: none"> • It is proposed that the 2017 Advocacy Position 4.6 Urban Forestry be replaced with a new position that reflects Local Governments’ urban forest advocacy priorities. • The new position has been prepared in collaboration with the officers of the Local Government Urban Forest Working Group and has been endorsed by both the People and Place Policy Team and Environment and Waste Policy Team at a special joint meeting on 31 May 2023. <p>Attachments</p> <ul style="list-style-type: none"> • Issues Paper: Local Government Approaches to Tree Retention • New Urban Forest Advocacy Position

Item / Matters for Decision	WALGA Recommendations
<p>7.2 State Planning Policy 3.7 Bushfire</p>	<p>That WALGA endorse the submission on <i>State Planning Policy 3.7 Bushfire</i> and the <i>Planning for Bushfire Guidelines</i>.</p> <p>Executive Summary</p> <ul style="list-style-type: none"> • <i>State Planning Policy 3.7 Bushfire</i> (SPP3.7) directs how land use and planning proposals should address bushfire risk in Western Australia. It applies to all land designated as bushfire prone, which is approximately 93% of the state. • The Department of Planning, Lands and Heritage has released a revised version of SPP3.7 and <i>Planning for Bushfire Guidelines</i> for public comment. • Future changes to the <i>Map of Bush Fire Prone Areas</i> are planned that will create a revised mapping standard for lower risk areas, such as significantly built-up urban areas. • The revised SPP 3.7 and Guidelines propose a nuanced response compared to the existing policy framework, with the intent of better reflecting the type of planning or development proposal and the level of bushfire risk. • WALGA's submission generally supports the revised SPP3.7 and Guidelines. The more nuanced policy response better reflects the level of bushfire risk across the State and is a positive evolution of policy design. Several matters of concern and technical comments are raised in the submission. • The public comment period closes on Monday, 17 July 2023. <p><u>Attachments</u></p> <ul style="list-style-type: none"> • WALGA submission on State Planning Policy 3.7 Bushfire • Planning for Bushfire Guidelines • State Planning Policy 3.7 Bushfire and Planning for Bushfire Guidelines
<p>7.3 Reforming WA Disability Legislation Submission</p>	<p>That WALGA endorse the submission to the Department of Communities relating to the <i>Consultation Paper – Reforming WA Disability Legislation</i>.</p> <p>Executive Summary</p> <ul style="list-style-type: none"> • In March 2023, the Department of Communities (DoC) released the consultation paper 'Reforming WA Disability Legislation'. • DoC is developing new disability legislation for Western Australia, largely driven by the State Disability Strategy 2020-2030 and the recommendations of the <i>Royal Commission into Violence, Abuse, Neglect and Exploitation of People with Disability</i>. • Under the current <i>Disability Services Act 1993</i> (DSA), Local Governments are legislated to implement Disability Access and Inclusion Plans (DAIPs). • WALGA has consulted with the sector and developed a submission with 11 key recommendations. • The recommendations make the case for additional measures to support Local Governments implement DAIPs to deliver enhanced access and inclusion outcomes within local communities through standardized governance, training, support and funding. <p><u>Attachments</u></p> <ul style="list-style-type: none"> • WALGA Submission: Reforming WA Disability Legislation • Consultation Paper: Reforming WA Disability Legislation, March 2023 • State Disability Strategy 2020-2030

Item / Matters for Decision	WALGA Recommendations
<p>7.4 Landfill Bans Advocacy Position</p>	<p>That WALGA endorse the following Landfill Ban Advocacy Position:</p> <p><i>Landfill bans are not supported in the absence of effective product stewardship schemes, or other funding mechanisms, for products which would be subject to the ban.</i></p> <p>Executive Summary</p> <ul style="list-style-type: none"> • The State Government has committed to delivering a state-wide E-waste ban to landfill by 2024, with the aim of improving management and recycling of e-waste produced by households and businesses across the State. • Consultation has occurred on the proposed ban and a WALGA Submission on this matter was endorsed by State Council in March 2023. • A key recommendation of this and previous WALGA Submissions is that any material subject to landfill bans must be covered by a fully effective product stewardship scheme prior to ban implementation. • Without effective product stewardship arrangements in place for items covered under landfill bans, the burden of managing the product at end of life falls disproportionately to Local Governments. • A new advocacy position is proposed that makes it clear that landfill bans are not supported in the absence of effective product stewardship schemes, or other funding mechanisms, for products which would be subject to the ban. • A contemporary and clear advocacy position on landfill bans will enable WALGA to strongly discourage this policy approach and advocate to the Government for the range of conditions necessary to increase resource recovery and reduce disposal of material to landfill.
<p>7.5 Audit Experience Survey Results Summary and Advocacy Position</p>	<p>That:</p> <ol style="list-style-type: none"> 1. State Council note the Audit Experience Survey Results Summary; and 2. WALGA advocate to the Office of the Auditor General (OAG) to reform the audit process for Local Governments by seeking: <ol style="list-style-type: none"> a. Audits of Local Governments are completed and reported on in a timely manner and that the processes, procedures and scope of audits are consistently applied. b. That the OAG review the requirements for pre-audit information with a view to reducing the need for additional information where possible; c. That the OAG review their costing formulae for Local Government audits and show constraint in audit cost increases; d. That the OAG provide a breakdown on the cost of the audit and justification for any variance to the estimate to the Local Government as part of the final billing process; e. That auditors be required to improve their communication and information management and avoid repeated requests for information that has already been provided;

Item / Matters for Decision	WALGA Recommendations
	<p>f. That Local Governments only be required to communicate with contract Auditors (<i>unless the OAG is directly auditing the Local Government</i>) and the onus be placed on the contract Auditors to confirm their advice with the OAG before instructing the Local Government; and</p> <p>g. In-conjunction with the Department of Local Government, Sport and Cultural Industries, review the application of Fair Value principles in the context of the audit.</p> <p>Executive Summary</p> <ul style="list-style-type: none"> • In April, WALGA in partnership with LG Professionals WA conducted a survey of the Local Government sector to seek feedback on the annual audit process. • A range of views were captured in the feedback, both positive and negative. • The responses highlighted five key emerging issues in the audit process: <ul style="list-style-type: none"> ○ timeframe and delays; ○ additional workload on Local Government staff; ○ cost; ○ inconsistent advice from contract Auditors and the OAG; and ○ asset valuation requirements. • WALGA and LG Professionals will continue to work with the OAG to reform the audit process in line with sector feedback, with a particular focus on those issues above. <p><u>Attachment</u></p> <ul style="list-style-type: none"> • Audit Experience Survey Results Summary
<p>7.6 Amendments to WALGA's Constitution</p>	<p>That State Council endorse putting two items to the 2023 Annual General Meeting that:</p> <ol style="list-style-type: none"> 1. propose a new Constitution to give effect to the alternate governance model as per the attached; and 2. amend the Constitution to retain the current governance model with necessary changes, as per the attached mark-up. <p>VOTING REQUIREMENT: 75% SPECIAL MAJORITY</p> <p>Executive Summary</p> <ul style="list-style-type: none"> • At its last meeting, State Council resolved for two sets of constitutional changes to be developed for consideration by State Council, with the intention that Members would consider both sets of amendments at the 2023 Annual General Meeting: <ul style="list-style-type: none"> ○ One set to give effect to the alternate model, as per the Best Practice Governance Review Final Report; and ○ A second set to refine the current Constitution to address inconsistencies and other issues while maintaining the current governance model. • The constitutional changes have been prepared by legal firm, Jackson McDonald.

Item / Matters for Decision	WALGA Recommendations
	<ul style="list-style-type: none"> • Amendments to the Association Constitution require both a special (75 percent) majority at State Council and a special (75 percent) majority at a General Meeting of Members. • Consequently, if the proposed sets of amendments are endorsed by State Council, they will be put to the 2023 Annual General Meeting on Monday, 18 September. <p><u>Attachments</u></p> <ul style="list-style-type: none"> • WALGA Constitution – proposed new Constitution to give effect to alternate model • WALGA Constitution (marked up) – proposed amendments (retaining current model)

<p>9.3 Local Government Performance Monitoring Project</p>	<p>That State Council note the results of the 2021-22 Local Government Performance Monitoring Project.</p> <p>Executive Summary</p> <ul style="list-style-type: none"> WALGA initiated the Local Government Performance Monitoring Project in 2018. WALGA has continued and expanded the Project producing subsequent Reports in 2019, 2020, 2021 and 2022. 36 Local Governments participated in the Project this year. These Local Governments are home to approximately 80% of Western Australia's population and between 2001 and 2021 accounted for 83% of the state's total population growth. The 2021-22 data shows that Local Governments have maintained high performance in undertaking their planning and building functions. They provide a strong indication of how the Local Government sector in Western Australia is performing in the areas of strategic and statutory planning and building regulation. In 2022, process and technological improvements were undertaken to improve how the data is conveyed and presented. <p>9.4 Street Lighting Tariffs</p>	<p>That State Council note the update on the 2023-24 street lighting tariffs.</p> <p>Executive Summary</p> <ul style="list-style-type: none"> In May 2023, Western Power provided its Price List to the Economic Regulation Authority (ERA) for approval, which included a proposed 43.85% increase for street lighting tariffs. The proposed increase would apply to the costs paid by Synergy to access Western Power's network, which are a large component of the final tariff paid by Local Governments to Synergy. WALGA responded quickly to the proposed increase, with the WALGA CEO and President writing to the ERA, Minister for Energy and Minister for Local Government, expressing the sector's strong concerns about the magnitude of the unjustified and unexpected increase. Local Governments also wrote directly to the ERA and spoke publicly on the impact the proposed increase would have on their communities. The ERA rejected the proposed increase, instead approving a 7.5% increase in the network component of the streetlight tariff for 2023-24, in line with their forecast of the average increase in network charges.

	<ul style="list-style-type: none"> In making its decision, the ERA acknowledged Local Governments' concerns on streetlighting tariffs. Local Governments can expect to see street lighting costs rise by 4.8% in 2023-24, in line with the approved tariff increase set out in the State Budget Papers. <p><u>Attachments:</u></p> <ul style="list-style-type: none"> Letter to the ERA Letter to Minister for Housing; Lands; Homelessness; Local Government Letter to Minister for Mines and Petroleum, Energy, Corrective Services and Industrial Relations ERA Statement WALGA Media Statement

<p>9.6 Update on the Commencement of the Aboriginal Cultural Heritage Act 2021</p>	<p>That State Council note the update on the Aboriginal Cultural Heritage Act 2021.</p> <p>Executive Summary</p> <ul style="list-style-type: none"> The <i>Aboriginal Cultural Heritage Act 2021</i> (ACH Act), which replaces the <i>Aboriginal Heritage Act 1972</i>, comes into effect on 1 July 2023. Since 2018, WALGA has undertaken extensive consultation and communication with the sector in relation to the development of the ACH Act, and undertaken advocacy on behalf of the sector, including three State Council endorsed submissions during the 2022 Co-Design process. WALGA's advocacy resulted in significant improvements to the activity categories, with consideration now given to many every day and emergency works that Local Governments undertake.

Item / Matters for Noting	WALGA Recommendations
	<ul style="list-style-type: none"> • WALGA's 2023-24 State Budget Submission called for funding for the establishment and ongoing functioning of the new ACH system with respect to Aboriginal Cultural Heritage Council, Local Aboriginal Cultural Heritage Services (LACHS) and Local Governments. • The WALGA President has written to the Minister for Aboriginal Affairs, requesting additional support for Local Governments in the implementation of the new legislation. • In May and June 2023, the Department of Planning, Lands and Heritage (DPLH) is delivering education workshops throughout the State to support implementation of the new legislation, including a Local Government specific session co-hosted with WALGA on 10 May. • WALGA will monitor the impact of the ACH Act on Local Governments and will continue to advocate for ongoing support to enhance Local Government knowledge and capability with respect to implementing the new legislation. <p><u>Attachments</u></p> <ul style="list-style-type: none"> • Letter from WALGA President to the Minister for Education, Minister for Aboriginal Affairs, and Minister for Citizenship and Multicultural Interests, 1 June 2023 • WALGA ACH Act Submissions
<p>9.7 State Award Variations Impacting on Local Governments</p>	<p>That State Council note the update on the State award variation applications currently before the Western Australian Industrial Relations Commission.</p> <p>Executive Summary</p> <ul style="list-style-type: none"> • On 1 January 2023, a majority of Local Governments and Regional Councils were required to transition from the Federal industrial relations (IR) system to the State IR system due to a change in State legislation. • Both the Federal and State IR systems have awards covering Local Government employers and employees. Awards are documents which set out the minimum terms and conditions of employment for a particular industry or occupation. • There are a number of State awards that cover Local Governments however these awards contain outdated and unclear language, are very difficult to consistently interpret and are not reflective of the needs of a modern Local Government workforce. • This is unlike the Federal Local Government Industry Award 2020 (Federal Award) which has been consistently reviewed and updated since 2009. • Unfortunately, the State Government and the unions did not support a legislated State award modernisation process before Local Governments were mandated to operate in the State IR system. Further, the transitional legislation does not provide for the Federal Award to permanently transition to the State IR system. • The Western Australian Municipal, Administrative, Clerical and Services Union of Employees (commonly also known as the WA Branch of the ASU) (ASU) made an application in February 2023 to amend the State Local Government awards without employer consultation.

	<ul style="list-style-type: none"> • Further, the Western Australian Industrial Relations Commission (WAIRC) is reviewing the scope clauses of a number of State awards which potentially cover Local Governments, in addition to the two State Local Government awards. • WALGA has commenced representing the sector and individually named Local Governments in the various applications before the WAIRC regarding proposed amendments to the State awards. • This item for noting provides an update on the status of these applications and outlines the engagement methods WALGA will be using to seek feedback from the sector on these important employment issues.

Kimberley C	2021 20 April Zone Agenda Item 11.1 Disaster Relief and Recovery Funding Arrangements	That the Kimberley Zone: 1. Express dissatisfaction with current disaster relief and recovery funding arrangements and call for urgent action from the State Government to investigate and address these shortcomings. 2. Seek WALGA advocacy to support the motion.	The Association has endorsed advocacy positions seeking improvements to disaster relief and recovery funding including assessment periods, eligibility of certain costs and improving resilience of reconstructed infrastructure. Regular meetings with DFES and Main Roads officers are ongoing. Detailed evidence of examples where the process is not effective have been collected and continue to be. Timelines for decision-making and an escalation process would seem to be an important addition to the process. Following consideration at the Infrastructure Policy Team a working group is being established to develop recommendations to improve DRFA WA processes. Initial engagement with the DFES Assistant Commissioner, Resilience and Recovery has occurred.	Ongoing	Ian Duncan Executive Manager Infrastructure iduncan@walgga.asn.au 9213 2031
