PROJECT DETAILS

Project Title (brief and specific): Kununurra BMX Track

Project Description:

Complete a BMX track for Kununurra.

Ensure the track surface is 'capped' with a minimum of 100mm high quality 'Laterite Gravel', shaped, compacted and rolled. Complete the surrounds with a minimum of 10mm crusher dust.

How did you establish a need for your project?

Kimberley Action Sports Inc. and its members have established and maintained a network of Mountain Bike trails. However, it was identified that many local youth/children only had BMX bikes and did not have the capacity to get to the existing trails.

In addition, we believe that kids need to access 'controlled-risk' activities to help their development and give them a constructive outlet for their energy and risk-taking propensities.

The club has confirmed 'proof of concept' with an existing dirt-only track and now wish to proceed to a properly surfaced and shaped track.

What alternatives were considered and why were they rejected (eg cost, suitability, feasibility)?

The closest alternative BMX tracks are in Katherine 500km away and Port Headland 1500+km away.

A Motor-Cross club is active in Kununurra, but motor sport is extremely expensive and inaccessible to the majority of our population.

How will your project increase physical activity?

Kununurra youth are in desperate need of 'controlled risk' physical activity that is economically available. Much of our youth also need the activity to be independent of parent/guardian input. We will continue to make this facility free to access and use.

In addition, we plan to partner with Royal Life Saving WA's Talent Pool and PCYC to activate and encourage track use.

Have the full lifecycle costs of the project been considered and can you afford the ongoing costs of managing, maintaining and replacing the facility? Will a specific asset replacement fund be created? If applicable, has child safeguarding been considered in the facility design?

Yes. Site improvement and upkeep has been successfully achieved by Kimberley Action Sports and will continue.

The scope of this project will ensure a highly maintainable surface and facility for many years.

Child safeguarding has been considered. The track features are challenging (there will be falls and scapes), but 'gap jumps' have explicitly excluded from our design. The track lay-out is compliant with UCI BMX track guidelines to maximise safety.

Asset replacement fund will be established.

PROJECT DELIVERY

Please indicate key milestones of your project. The key milestones need to be realistic and demonstrate that the project can be delivered in the timeframe.

Task	Date
Attainment of Council approvals	August 2024
Preparation of tender/quotes for the major works contract	August 2024
Issuing of tender for major works	Jan 2025
Signing of major works contract	March 2025
Site works commence	June 2025
Construction of project starts	June 2025
Project 50% complete	July 2025
Project Completed	August 2025
Project hand over and acquittal	August 2025

Are there any operational constraints that would impact the construction phase of your project? (such as your sporting season, major annual event or inclement weather) – provide details. Projects that are delayed due to undeclared known constraints are not eligible for a deferral.

Unseasonal 'Dry-Season' rain.

GST

Grant payments are payable to the applicant/grantee only. This may have taxation implications for grantees. If grantees wish specific advice relating to their grant, this can be obtained from the Australian Taxation Office (ATO). Please note depending upon the value of the project and/or grant, the ATO may require an organisation be registered for GST. If the applicant is registered for GST, the grant is grossed up with the GST amount.

PRIVACY STATEMENT AND STATEMENT OF DISCLOSURE

The Organisation acknowledges and agrees that this Application and information regarding it is subject to the *Freedom of Information Act 1992* and that the Grantor may publicly disclose information in relation to this Application, including its terms and the details of the Organisation.

Any information provided by you to DLGSC can be accessed by you during standard office hours and updated by writing to DLGSC or calling (08) 9492 9700. All information provided on this form and gathered throughout the assessment process will be stored on a database that will only be accessed by authorised departmental personnel and is subject to privacy restrictions.

DLGSC may wish to provide certain information to the media for promotional purposes. The information will only include the applicant's club name, sport, location, grant purpose and grant amount.

LODGEMENT OF YOUR APPLICATION

- Applications including all attachments are to be received electronically and officially submitted to csrff@dlgsc.wa.gov.au by the cut off time and date. A hard copy can also be provided and should be clipped at the top left-hand corner, please do not bind.
- It is recommended that you **retain your completed application form**, including attachments for your own records and future audit purposes.
- All attachments and supporting documentation (see next section) should be clearly named and identified
 and submitted with the application form.
- Applications must be submitted to your Local Government Authority by the Local Government's advertised cut-off date to ensure inclusion at the relevant Council meeting.

The following documentation **must** be included with your application. Applicants may wish to supply additional RELEVANT information.

Application form.
Incorporation Certificate.
Confirmation of Public Liability Insurance cover to \$10 million
Two written quotes. Quantity Surveyor costings will be accepted; however the responsibility lies with the applicant to ensure the validity of the information. DLGSC accepts no responsibility for cost variations to projects that were provided a grant based on submitted Quantity Surveyor costs.
If your project involves the upgrade of an existing facility, include photograph/s of this facility.
Locality map, site map and building plans (in relevant constructions projects), including where the proposed facility is located in relation to other sport and recreation infrastructure.
Income and expenditure statements for the current year and budget for the next financial year. (LGAs exempted).
Written confirmation of financial commitments from other sources including copies of council minutes. (If a club is contributing financially then evidence of their cash at hand must be provided).
For resurfacing projects, a written guarantee from the supplier of the product that clearly identifies the product's life expectancy.
Itemised project cost for components and identified on the relevant quote for each (including cost escalation).
For projects involving floodlighting, a lighting design plan must be supplied showing lux, configuration and sufficient power supply

Your application will be considered not eligible if:

- You have not discussed your project with the Department of Local Government, Sport and Cultural Industries and your State Sporting Association.
- You do not meet the eligibility criteria for the grant category to which you are applying.
- You have not included with your application all the relevant required supporting documentation. There is no onus on Department staff to pursue missing documentation.
- Applicants/projects that have received a CSRFF or CNLP grant in the past and have not satisfactorily
 acquitted that grant. In some cases this may apply to localities where other significant projects have not
 been progressed or have not completed a previous project in accordance with the conditions of the grant
 provided. An assessment will be made in October and if no physical progress has occurred, new
 applications may not be recommended.
- It is not on the correct application form.
- The project for which application is made is specifically excluded from receiving CSRFF support.
