

DOCUMENT TYPE	Policy
TITLE	ATTENDANCE AT EVENTS AND FUNCTIONS
NUMBER:	POL-1003

PURPOSE

The purpose of this policy is to establish guidelines for appropriate disclosure and management of acceptance of invitations to events or functions, or other hospitality occasions, where elected members and employees are invited free of charge, whether as part of their official duties as council or Shire representatives or not.

DEFINITIONS

In accordance with section 5.90A of the [Local Government Act 1995](#) ~~Act~~: event includes, but is not limited to the following:

- a concert;
- a conference;
- a function;
- a sporting event; and
- an event described in this policy.

POLICY STATEMENTS

SCOPE

The policy provides guidance to elected members and employees when an invitation to an event or function, or other hospitality occasion, ticketed or otherwise, is offered free of charge. It does not provide guidance on the acceptance of a tangible gift or travel contribution

KEY ISSUES TO CONSIDER

In considering whether a benefit such as an invitation to an event or hospitality given to an elected member or an employee is a gift for the purposes of the Act and Regulations, the key issues include:

1. Who is a donor, the person who is offering or giving the benefit?
2. What is the value of the benefit?
3. Does the elected member or employee of the benefit contribute anything of value to the donor in return for the benefit such as formally opening or speaking at the event or presenting prizes/awards?
4. If so, does the value of that contribution outweigh the value of the benefit? If so, it will not be a gift for the purposes of the Act and Regulations.

COMMERCIAL ENTERTAINMENT EVENTS

Any tickets accepted by an elected member or employee without payment for any commercial entertainment event, for which a member of the public is required to pay whether sponsored by the Shire or not will generally be classified as a gift for the purposes of the Act and Regulations.

An exception to this is where the Shire President or his / her representative attends the event in an official capacity to perform a civic or presidential function. Where there is a commercial

entertainment event that, in the opinion of the Chief Executive Officer, it is in the interests of the Shire for one or more elected members or employees to attend in order to assess and understand first-hand the impacts on the community or business, then one or more tickets for that event will be purchased for the relevant elected member or employee by the Shire at full cost.

OTHER COMMERCIAL (NON-ENTERTAINMENT) EVENTS

For other commercial (non-entertainment) events, such as a conference or seminar, for which a member of the public is required to pay, where the Chief Executive Officer is of the opinion that it is in the interests of the Shire for one or more Elected Members or employees to attend (such as for their professional development or to undertake a function as an Elected Member or employee), then one or more registrations or other benefits for that event will be purchased for the relevant Elected Member or employee by the Shire at full cost to enable attendance. If the Shire does not pay for the event, free registration or any other benefit (such as hospitality) given to an Elected Member or employee would be classified as a 'gift' unless the contribution of the Elected Member or employee to the event (such as by way of a paper or speaking engagement) is reasonably considered to outweigh the value of registration or other benefit given to the Elected Member or employee.

COMMUNITY/LOCAL BUSINESS EVENTS

Acceptance of reasonable and modest hospitality by an Elected Member or employee at an unpaid event run by a local community group for local business would not generally be classified as a 'gift' where the contribution by the Elected Member or employee to the event is reasonably considered to outweigh the value of the hospitality. This is more likely where the Elected Member or employee attends the event in his or her capacity as an Elected Member or employee - preferably where the attendance has been specifically authorised by the Shire, but otherwise where the person is performing his or her functions as an Elected Member or employee.

TRAVEL AND ACCOMMODATION EXCLUDED

This policy does not apply to tangible gifts or money, travel or accommodation. Any contribution to travel, subject to the exceptions in section 5.83 of the Act, must be disclosed in writing to the CEO within 10 days of receipt of the contribution.

PERCEIVED OR ACTUAL CONFLICT

Event attendance may create a perceived or actual conflict, which may preclude council members participating or employees providing advice at a future meeting. If the amount of an event ticket (gift) is less than \$1,000, and relates to a matter before Council, under section 5.68 of the Act, Council may allow the disclosing council member to participate on the condition that the interest, the council's decision and the reasons for that decision are recorded in the minutes. If the amount gift is above \$1,000 the council or CEO must apply to the Minister for permission to allow the member or employee to participate.

EXPLANATORY NOTES

The policy provides guidance to elected members and employees when an invitation to an event or function, or other hospitality occasion, ticketed or otherwise, is offered free of charge. It does not provide guidance on the acceptance of a tangible gift or travel contribution.

Travel and accommodation excluded: This policy does not apply to tangible gifts or money, travel or accommodation. Any contribution to travel, subject to the exceptions in section 5.83 of the Local Government Act 1995 (the Act), must be disclosed in writing to the CEO within

10 days of receipt of the contribution. Contributions to travel costs, whether financial or otherwise are now incorporated within the definition of gift.

The following situations are specifically excluded where the event ticket (gift) is received from one of the following organisations:

1. WALGA (but not LGIS)
2. Local Government Professionals Australia (WA)
3. Australian Local Government Association
4. A department of the public service
5. A government department of another State, a Territory or the Commonwealth
6. A local government or regional local government

The gift is still required to be recorded on the "gift register".

In accordance with sections 5.87A and 5.87B of the Act, council members and CEOs are required to disclose gifts that are received in their capacity as a council member (or CEO) and:

- are valued over \$300; or
- are of a cumulative value that exceeds \$300 where the gifts are received from the same donor in a 12-month period.

In accordance with section 5.90A of the Act, a local government must prepare and adopt a policy that deals with matters relating to the attendance of council members and the CEO at events.
