Comments on the draft Annual Budgetthe state and it only adds to the costs for individuals, both locals and tourists. There is not much point in complaining about the cost of airfares, when sometimes the cost of the fees and charges are greater than the airfare, and continually adding to the cost of charter flights does nothing to increase tourism, and penalises those who live away from town and have no option but to fly.Comments on the draft Annual BudgetKNX Sub - Ood to see rates not going upComments on the draft Annual BudgetKNX Sub - Why is the shire buying new vehicles.
