

Location	Date	Method of Feedback	Comment	For / Against	Notes
Whitegum Park	October 2017	Facebook	I would like to express concern at this proposal. As a nearby property owner I believe the installation of radio speakers at Whitegum Park will increase the antisocial behaviour and congregation in this public area.	Against	
Whitegum Park	October 2017	Facebook	Why does it have to go 7 days a week! How much will this decrease the resale value of housing in the area? Not a good idea at all. Perhaps put them out at the ranch?	Against	
Whitegum Park	October 2017	Facebook	I do not like the idea of having any radio station "imposed" on any public area, especially not a central communal park.	Against	
			Anyway I am against the proposal. I don't listen to the station on my radio but i have the choice to turn it off. In the towns main central public park i would also like the choice of listening to it or not. It would be like living next door to neighbors who play music you don't want to hear and all you have done is gone to the park for some recreation time.	Against	
Whitegum Park	October 2017	Facebook	Too many days and too many hours Consider the residents around the park People can choose to listen but constantly in the park would be an imposition	Against	
Whitegum Park	October 2017	Facebook	Dreadful idea. Park should be quiet unless there is an event with live music. Some shops I have to get in and out fast because of the music noise pollution	Against	
Whitegum Park	October 2017	Facebook	You don't impose a radio program to public park users ever , especially not all day every day	Against	
		Have your Say webpage comment	People can bring their own and hopefully don't impose it too much on others.It's got parallels to having to listen to an Imam calling from his tower periodically like in some of our neighbour countries...	Against	
Whitegum Park	October 2017		Nice idea in principle but there are a few things that need to be considered. Why do we want a commercial radio station to broadcast adverts into a public Park? I want to be able to have the choice of what my children hear. Children are bombarded with commercial adverts now we want them in the park? Some of the music might not be appropriate for all ages. If this does go ahead then the ratepayers who pay to look after the park should get some benefit such as lease fee that goes towards the cost of maintaining the park. Will there be an annual public tender? If this is for commercial radio then how can the Shire be seen to favour one station over another? Why not do something with Pindan Park? Pindan has been neglected by the Shire with little to no investment since it the addition of sprinklers.	Against	
Whitegum Park	October 2017	Have your Say webpage comment	I don't like that it is proposed to be on all day. Couldn't they have an option that you press a button and it plays for 30 mins or something. Like BBQs in parks.	Against	
			I think it is not good to impose this onto all park users. Those who wish to listen to Waringarri are welcome to take their own radio. Obviously not many people want to listen to it cause very few people take their radios into the park. It could also become inconvenient for park events where this is definitely not wanted eg. Saturday markets. If this goes ahead there needs to be a process for users to have it turned off without the inconvenience of having to chase up waringarri to do it every time	Against	
Whitegum Park	October 2017	Have your Say webpage comment	While I can understand that community announcements and health messages etc are useful I don't like the idea of them and music being imposed on everyone who might wish to sit in the park - perhaps people want quiet time when they go to a park! If it goes ahead make it only a couple of hours. Couldn't access survey.	Against	
Whitegum Park	October 2017	Have your Say webpage comment	Could not get the form to work. Strongly object to the proposal	Against	
			Why only Waringarri radio. Why not ABC or Classical radio. Anything without commercial content.	Against	
			Why on for so long How about a trial period of 2 hours at first. Why Whitegum park? Are you saying that is where the Waringarri listeners congregate with their blankets and small pieces of cardboard	Against	

Whitegum Park	October 2017	Have your Say webpage comment	This is a truly dreadful idea. The park should be quiet.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	This is a terrible idea. These are areas of peace and nature and do not need forced music. This would deter people from spending time in these 2 public areas.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Hi Both parks are an area where people go to enjoy the natural environment. Why would you want to spoil this by imposing advertising, music and political nonsense to the average community member. I am totally opposed to this proposal. Many people already use these areas and bring their own music which sometimes invades others spaces. It is not a community meeting place and should not be used as an area to enhance Warringarri advertising reach.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	What a waste of time something else to be vandalised. So I assume our rates and taxes will go up again for the most stupid ideas that people with nothing better to do. How about concentrating on real problems	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I am very against this. People go there to enjoy the peace and quiet. I don't relish hearing radio broadcast from the park, any park for that matter. I believe the noise is an intrusion into our peace. I vote NO!!! What I like about radio at home is, we are free to turn it off. If this goes ahead, we will have to leave the park when we've had enough radio. Not fair.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	We regularly use these parks for quiet recreation. Please do NOT allow this to go through. We would be bombarded with music, news and goodness knows what else. It may be fine for our Indigenous folk, but we don't listen to Warringarri radio because we just don't like it. The vote from my husband and me is a resounding NO! Please don't do it. Surely we should have the choice to listen to our own music or not depending on the mood. If this is allowed, you are taking our recreation choice from us.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Sorry..... this is a Hughe NO	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	No	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Please don't install a radio we can't shut off in places we go to be peaceful. You know where this would make the town better? At the skatepark. My kids take a little speaker with them to the skate park. But not to celebrity tree. We hang out in nature there. Swim beach too. Unless someone else has a radio on already. We enjoy the sounds of birds. You would just need to turn it off or down on market days	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Please do not put up the poles. The community should have a choice to where and when they listen to the radio. Let's enjoy our surrounds without having to be forced listen to Warringarri radio. Some people actually like to listen to nature, in a world that it so technologically driven we don't need this too.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I do not support the idea of having radio broadcast in Swim Beach & Celebrity Tree Park. These are areas to go to be quiet, relax and enjoy the sounds of nature. We shouldn't have any music, announcements forced on us in public spaces. Warringarri radio plays a valuable role but I want to be able to choose what, when and where I want to listen to something. This town is noisy enough as it is!	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I am happy for the shire to upgrade and beautify these areas but putting on a radio station 7 days a week is a dreadful idea and is certainly not thinking about all of the community. No way from me as a rate payer in this town.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment		Against	

Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	These natural spaces are one of the few escapes we have in this town to get away from human noise pollution. Listening to nature, taking time out and getting away from everything is so beneficial for our mental health and is a good way of de-stressing. So many people use the park for these reasons. Putting these poles in would completely ruin that and make it extremely unfair for the members of the community who do not wish to listen to the radio. If you want go to the park and listen to music then you have the option to bring your own music, putting the poles in would take away our choice of going to the park and having the option of listening to nature. Leave our quiet places alone!	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Putting up sound poles and playing commercial radio is not really going to beautify our existing parks. I don't want to go to the park on the weekend and be bombarded by people talking about STIs I think most people would go to the park for peace and quiet or take their own music. Why not create a new space somewhere for these poles. A new space where people who want commercial radio can go and hang out.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I am not in support of this idea at all. The park is a nature space. I want to hear the sounds of nature not Waringarri. But shade sails would be fantastic! Especially over Celebrity Tree Park Playground.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Hi, my family goes to swim beach and celebrity tree park for relaxation and to enjoy the peace and quiet. We don't support the sound poles. If people want music they can bring a Bluetooth speaker.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	The celebrity tree park is a beautiful setting for weddings and other functions. To be forced to listen to a radio station broadcast would spoil the ambience of this place. The same goes for the swim beach who wants to listen to a continual radio broadcast in a public place. NO THANK YOU	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	These are places of relax and solitude. I do not support sound poles.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	We are often forced to listen to lid music from neighbor's, I don't want to go to our lovely parks and listen to the radio there as well. Maybe the skate park would be a better choice. And please invest the money in fixing up the solar lights, drink fountains and playgrounds that are in disrepair. Firm no.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	When I go to Celebrity tree park or swim beach, it is specifically to GET AWAY FROM the sounds of technology. I do not support this idea and I feel it would ruin the peaceful atmosphere. People can listen to Waringarri in their cars or at home, and I resent the idea of being forced to listen to the radio in a public space. As a ratepayer and long term local, I strongly oppose this proposal.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Both locations are peaceful places where people can relax and listen to natural sounds without having it polluted by artificial noise. The reported position of police that this project will reduce antisocial behaviour seems weak as neither location has a reputation for problems of this nature. Perhaps the initiative and goal, to reduce antisocial behaviour could be better tested at a location such as the main coles car park.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Why do you want to do this??? The park is a place to relax and enjoy nature. Anyone can listen to your station on their smartphone if they want. Donâ€™t force yourself on people.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Of all the dumb things that money can be wasted on someone with too much comes up with an idea like this! If that is the best that can be done for this area then those thinking up the ideas really need to focus on what's looking back at them in the mirror and do some critical analysis on where their brain is at.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	So, footpaths are a health and safety nightmare, drainage network around the town is full of rubbish and over grown, street lights in the 1930's wou old probably do a better job that what the town has, you've rejected cctv through the CBD o a number of occasions, antisocial behaviour is rampant and yet you consider a ridiculous proposal like this! SHAME ON YOU SHIRE OF WYNDHAM EAST KIMBERLEY!	Against	

Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I am opposed to this idea as I, and as other people have stated, go to the park to relax and not be disturbed by a commercial or any other radio station. Believe it or not there are people that don't need or want music or radio of any kind to relax. These are public spaces where people should have the choice to listen to or not listen to a radio station. I don't listen to 6WR at home or work and I really don't want to listen to it or any other broadcast when I go to a park. There is enough music forced on to people from various parties around town as it is.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	No thank you. Listening to a radio station should be by choice not compulsory	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I do not agree with this at all. People go to these places to enjoy the space and not listen to music. Anyone who wishes to listen to music can do so on a personal device.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	People go to Celebrity tree park to get away from the prevalence of broken glass and disrespectful litter; they go to have a peaceful walk with their dogs, sit by the lagoon, contemplate nature and listen to a diversity of bird song. The media, in whatever form, invades our lives enough every day without having it forced on us in an outdoor environment. I wouldn't want to have to listen to ANY radio station in this park or at swim beach.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I don't think that this is a good idea. People should be able to go to public places and experience silence and sounds of nature. If they want to listen to music- they can do this by using headphones. It is not fair to force people to listen to music/anything else in public places. I think doing this would be a mistake and not fair on the residents of Kununurra that see the proposed locations as places of calm and relaxation.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Please please not do this to us who love Swim Beach	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Why do we have to put up with this degradation of our public areas. We will be the laughing stock of Australia. Is it to drown out the usual drunken bawling that goes on. What about Classic FM They say classical music soothes the savage breast No No No to this insane proposal	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	That is the last thing I want to be FORCED to listen to when I go down there.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Celebrity tree park and swim beach are areas of space for the community to share, relax and enjoy the tranquility. They should not be ruined by the constant noise of the radio! Spend the money on upgrading the paths so people with prams have equal and smooth access! The parks at both swim beach and celebrity tree park could do with shade sails to encourage community engagement and use of already existing facilities. I AM STRONGLY AGAINST THIS PROPOSAL	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I don't support this. Not everyone enjoys Waringarri choice of music- and in any case I don't support any music being imposed in these areas. I visit there for peace, listen to the birds etc. please no!	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Terrible idea listening to music in a public place should be individual and not forced onto people who wish to have quiet time How about investing money into shade sails over play equipment so our children can play	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I don't agree with this proposal, these areas are lovely spaces, often quiet and relaxing and in which we shouldn't be subjected to listening to one certain radio station. It seems to be an unjustified assumption that radio poles will contribute to the reduction of anti-social behavior and public intoxication and will help unify families and community and I would like to see evidence supporting this, as far as I know these spaces don't have a reputation for anti-social behaviours anyway. Also, the community should be informed as to who is funding the project and the upkeep and maintenance of the poles?	Against	

Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	How is this even being considered? Definitely no. I don't want to listen to one radio station or any radio station for that matter when I visit the park.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I want to support local radio, but music is very individual and to subject everyone in public areas to this station will be tantamount to noise pollution. People go to public places to enjoy the outdoors, not be forced to listen to one person/group's idea of "good music". Please don't ruin our parks and swim beach.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I think peace and quiet is hard to come by, have the radio in town if needs be but I think overall it's money that can be spent on other things.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	This is the worst idea how does this benefit anyone other than Waringarri Radio. Why can't funds be better spent on community resources like shade sails for the children's parks so they do have to go down slides that have been sitting in the 40 degree sun. Also I believe it would negatively impact our limited common areas attracting antisocial behavior. Waringarri can do better with their money and the shire could make better use of their time!!!	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I live in Kununurra to escape world noise. Walk down Katherine Main Street to see what it would be like. Invasive. Give me the twittering of the red finches any day.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Please don't ruin the atmosphere of our town with this tripe.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Why would the Shire choose to impose listening to broadcasts in public areas?? This proposal impinges on individual rights to choose what they listen to. If the Shire chooses to go down this path of infrastructure to allow broadcasts in public areas - why Waringarri, what about ABC, Spirit FM, HCB or a classical music channel? By allowing a specific station this ability to broadcast their chosen and sponsored messages ... SWEK is aligning itself with this station's choices. A decision to do this will create yet another reason I will choose not to frequent the proposed locations.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	That would be a very definite NO. We all go to these places to get away from the stresses of everyday humdrum. Somewhere we can veg out in peace and tranquility. And there is absolutely no way everyone enjoys the same type of music anyway.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	What a terrible idea!! The community didn't want this in Whitegum Park so why would we like it here. People go to these places for the peace and quiet or to enjoy the outdoors and the sounds of nature, not to listen to a radio station. If people want to listen to Waringarri radio they can choose to do so in their own space. Ridiculous	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Celebrity tree park and swim beach are places we visit as a family to switch off from the world and enjoy the sounds of nature. We should not be forced to listen to the radio if we don't want too.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I strongly disagree, I believe it would be a backwards step in reconnecting to the natural environment daily I enjoy listening to the birds and fish pop out of the water. It is often very peaceful at swim beach I feel that a radio would spoil my switch off and disconnect time. If people want to listen to music then they should bring their own media device. We should not have permanent speaker poles.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I do not like the idea of broadcasting at swim beach or celebrity tree park. I spend lots of time at these locations with my children, and I like Waringarri Radio, but I do not support the proposal.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I believe it is completely inappropriate to allow one media station the opportunity to install public broadcasting stations. This would not be considered for JJJ, Red FM or any other station, so do not allow a station just because they are a local indigenous organisation to have media preference. This was proposed for white gum park, a place that already hosts unsociable behaviour... do not extend this to the only two places that host children's parks in kununurra. Not all parents want to listen to radio from waringarri whilst pushing their kids on the swing. Please do not approve this.	Against	

Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Parks and the lake are places of nature and the installation of broadcast media to these areas will ruin this. If people want to listen to radio do it at home or in your car, or most people have phones with headphones. Do not force all of the kununurra people to listen to a station they may not want to. Install is at the waringarri grounds so people can €socialise€ there to listen.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	It's lovely and peaceful down at swim beach and celebrity tree park! If people want to listen to music they can bring things down with them! Some of us go to the park/swimming area to relax	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I enjoy quiet walks and the sounds of nature in both Celebrity Tree park and Swim Beach. Time for contemplation and a chat with someone else enjoying the same.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	NO NO NO. I don't think the public should be subjected to radio broadcasts at these places. Everyone has a choice to listen or NOT listen to whatever broadcast stations are out there but in this situation my opinion is that I would prefer NO radio in these places. If I wanted to listen to the radio I would take one with me! Sometimes people like the quiet. AND not everyone likes listening to Waringarri Radio. What would happen if ABC, JJJ, Spirit wanted to do this as well?? I for one am against this proposal	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I think this is totally unnecessary. It is likely to cause antisocial behaviour around these currently family friendly areas. These areas are currently peaceful and a perfect place to go to enjoy the beautiful serenity where we live. Broadcasts / music is not needed in these areas. They are currently great places to go with the family or alone to enjoy the peace. Please don't ruin it with the interruptions of the broadcasting. If there is funding available for community engagement, I would recommend to improve the current facilities by adding shade sails to the play areas so the children of this community can enjoy them safely.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Public spaces are for everyone.... Parks are places for the public to relax and reconnect with nature, listen to the radio in your own private space.	Against	
Celebrity Tree Park/Swim Beach	September 2018	Feedback Form	1. Nothing at all to like about it. This is a loaded question. Who designed this question? Regardless, the idea stinks. Isn't there enough violence and public drunken displays and humping and litter bugging and theft and broken glass already in this town? How many more riotous parties do you want to instigate with this totally insane proposal? NO, NO, NO. Enough people want to leave this town already because of the antisocial behaviour that is not so much alcohol fuelled as it is by lack of real consequences. When enough people do decide they have had enough of it and leave, who is going to be paying your egregious rates which mostly seem to go to paying a bunch of fat cat bureaucrats completely out of touch with the community. 2. It will probably mean more broken windows for everyone. More people lying about in drunken heaps. More litter that someone else has to pick up. Business owners, residents and ratepayers are already paying heavily for the decisions of idiots. 3. NO benefits at all. 4. There is no time of day that this invasion of peace should be allowed to be instigated by ANY broadcasts from any radio station. If it was the ABC or any other radio station my answer would still be a big fat NO. 5. Absolutely not. Depends on how long you want to stay in council I suppose. Can't see any ratepayers or business owners thinking this is a good idea. 6. This feedback form is unnecessarily repetitive. Concerns are as listed in answer to the first and subsequent questions 7. (bank)	Against	Feedback form Questions: 1. What do you like about Waringarri Media's Proposed Sound Poles at Swim Beach and Celebrity Tree Park? 2. What effect do you think the project will have on local businesses, community organisations, residents and ratepayers? 3. What do you think the benefits of the project will be to the local community? 4. What do you think about the proposed broadcasting times? 5. Do you think Council should endorse the project? Please state why. 6. Do you have any concerns or considerations on the project? 7. Any other comments or feedback regarding the project?

Celebrity Tree Park/Swim Beach	September 2018	Feedback Form	1. There is nothing about it I like. What I like even less is the fact that this question is not neutral. Clearly the council isn't neutral on this issue and at odds with the wishes of 98% of the commentators so far. 2. Access to the natural environment is the one saving grace that makes this town liveable. This proposal only serves to restrict access to the natural environment free from commercial contamination. Just one more reason for the grey nomads to stay away in droves. 3. Another leading / loaded question. What you should have asked is whether this will have a positive OR negative impact on the community. The simple answer to that would be to question whether tourists (and residents) visit our public spaces to access non-consensual background noise or do they go there to escape from it? 4. How about zero days a week? 5. Sure, go right ahead... It may just be the catalyst needed for the local population to realise how out of touch and self-serving the local council really is! Roll on next council elections! 6. At best, this is going to be a constant annoyance. At worst, a lightning rod for more antisocial behaviour 7. It beggars belief that this proposal was taken seriously enough (by the shire) to warrant public comment... No, no, no NO! Clear enough? Dear SWEK I only just heard of the dreadful proposal to put radio poles at Swim Beach. I have only just heard of this dreadful proposal and think it is too late to vote. I love going to swim beach and hate other people's noise pollution. I particularly hate music blaring in public places. I truly hate having noise pollution in public places and love going to the swim beach. This is very horrible. If people want to quietly listen to radio themselves in privacy that is fine. Don't impose it on everyone. To whom it may concern I wish to voice my disapproval at having live radio broadcast at swim beach. I would also like to know why I was not consulted prior to this proposal being made given the proximity to my home and Swim Beach. I wish this to be tabled at the next Council meeting.	1. What do you like about Waringarri Media's Proposed Sound Poles at Swim Beach and Celebrity Tree Park? 2. What effect do you think the project will have on local businesses, community organisations, residents and ratepayers? 3. What do you think the benefits of the project will be to the local community? 4. What do you think about the proposed broadcasting times? 5. Do you think Council should endorse the project? Please state why. 6. Do you have any concerns or considerations on the project? 7. Any other comments or feedback regarding the project?	Against
Celebrity Tree Park/Swim Beach	September 2018	Email	To whom it may concern I wish to voice my disapproval at having live radio broadcast at swim beach. I would also like to know why I was not consulted prior to this proposal being made given the proximity to my home and Swim Beach. I wish this to be tabled at the next Council meeting.		Against
Celebrity Tree Park/Swim Beach	September 2018	Email			Against

Celebrity Tree Park/Swim Beach	September 2018	Feedback Form	where families (particularly with children) go to relax and unwind so it is not fair to expose them to constant noise when there is enough of that in the community as it is. Some areas I believe this would be suitable is 'White Gum Park' as it is an area of activity due to the Skate Park & around the Knx Visitor's Centre and possibly outside of the Coles Complex so many people could hear public/community announcements and the music would drown out sounds of fighting and yelling as this occurs often. 2. People like to meet & gather in Celebrity Tree Park and Swim Beach for informal get togethers and I think the constant noise of a radio in the background would deter them from using those areas. There needs to be these safe and inviting areas for parents/guardians to take their children in peaceful surrounds. 3. I don't see any long term real benefits in these particular locations as it will be another reason to have divided opinions in a town already divided in many respects. I can see benefits of spreading community information etc if it is in areas such as outside of the Coles Complex, Knx Visitors Centre and Whitegum park. 4. Too much and I also don't agree with News being broadcast in an open environment when young children are then exposed to hearing about rapes, sexual assaults, murders etc when it is not age appropriate and especially when there may be no adults around if those children feel the need to speak to an adult to try to understand what they have just heard and as I parent I would want control over what my young children can hear so to protect them as much as I can. 5. Not in these locations I don't. 6. My big concern is the constant noise 7 days a week, all day so people don't get a chance to enjoy those public beautiful areas in peace, locals and tourists alike. People should have the right to 'not' listen to whatever is playing on a radio station as they may determine that it is not appropriate for their children or they simply do not want to listen to whatever is on at the time but having it broadcast constantly in a public area that is used regularly for relaxation purposes takes that right away from them. 7. A really big reason for me to not agree with this proposal is personally I do not like my young children listening to the news broadcasts when there is so much talk about sexual assaults, rapes, murders etc. I do not want to have to answer questions on these topics when they are not age appropriate and when I am enjoying relaxing outdoor time with my kids. There needs to be more time for kids to be kids without being exposed to all the negative things in the world constantly.	Against	Feedback form Questions: 1. What do you like about Waringarri Media's Proposed Sound Poles at Swim Beach and Celebrity Tree Park? 2. What effect do you think the project will have on local businesses, community organisations, residents and ratepayers? 3. What do you think the benefits of the project will be to the local community? 4. What do you think about the proposed broadcasting times? 5. Do you think Council should endorse the project? Please state why. 6. Do you have any concerns or considerations on the project? 7. Any other comments or feedback regarding the project?
Celebrity Tree Park/Swim Beach	September 2018	Feedback Form	1. I like that Waringarri is trying to enhance the community spirit in the town. 2. It will benefit businesses and local organisations/ community organisations through enhanced exposure to advertising, however this is of little benefit to park users. Unfortunately, I can't see any significant benefit to residents and ratepayers. 3. Many community and health organisations promote their events, initiatives and positive health messages through Waringarri. Broadcasting to a wider network would increase residents exposure to these positive messages. 4. Too long 5. I don't think council should. Without having heard Waringarri's reasoning for the project, I see it as only beneficial to advertisers. 6. Many of our guests at Freshwater Apartments (directly opposite Celebrity Tree Park) enjoy walking through the park for the peace and quiet and to observe birdlife. This is what they come to The Kimberley to experience. I strongly believe this will negatively impact guests quiet enjoyment of the park. Personally, I take my dog to the dog exercise area at the swim beach and enjoy the peaceful sound of nature. I would be disappointed to have a radio station playing there. 7. (blank)	Against	1. What do you like about Waringarri Media's Proposed Sound Poles at Swim Beach and Celebrity Tree Park? 2. What effect do you think the project will have on local businesses, community organisations, residents and ratepayers? 3. What do you think the benefits of the project will be to the local community? 4. What do you think about the proposed broadcasting times? 5. Do you think Council should endorse the project? Please state why. 6. Do you have any concerns or considerations on the project? 7. Any other comments or feedback regarding the project?

Celebrity Tree Park/Swim Beach	September 2018	Feedback Form	1. I don't like the proposal 2. A nil/negative effect. It will deter people wanting to visit these areas for peace and quiet 3. Nil benefits 4. Not necessary to have any broadcasting times 5. No. These areas should be kept as peaceful as possible, people visiting should be able to enjoy the natural ambience 6. I believe this is invasive and will detract from the natural beauty of the area 7. Maintenance costs?? Who's responsibility?	Against	1. What do you like about Waringarri Media's Proposed Sound Poles at Swim Beach and Celebrity Tree Park? 2. What effect do you think the project will have on local businesses, community organisations, residents and ratepayers? 3. What do you think the benefits of the project will be to the local community? 4. What do you think about the proposed broadcasting times? 5. Do you think Council should endorse the project? Please state why. 6. Do you have any concerns or considerations on the project? 7. Any other comments or feedback regarding the project?
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I am in support of music being played in the background at designated places. The project is working well in Northern Territory, it does not need to be maintained by the Shire and is free. I support this wonderful project gifted by Waringarri Radio 8Y~	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Sounds like a GREAT IDEA!	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I think it's a good idea	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Would like to see this go ahead as it's a great idea for the community	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I think it's a great idea.	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Support the sounds pole for Waringarri Media Station. Sounds Good!	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I support this !	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I believe it's a great Idea towards supporting Waringarri Media for these sound poles. It has been successful over the border in NT and could be just as positive if we the community get behind it.	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	This is a great idea ,if the concerns are about the cohort that they may attracted, maybe the shire rangers should move them on if they are littering or engaging in antisocial behavior which i am sure is one of the duties that they are paid to carry out	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	It's good for community to listen radio music at the park where people can relax and enjoy music.	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I do support the idea of the sound poles. I enjoy the music and news broadcast from this radio station. It won't be loud and it won't affect nature and people going about their daily activities in these areas.	For	

Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I support it, fantastic idea!	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	It will be good for the community to have information easily communicated to them.	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Music is therapeutic, and it is a good initiative for people going through a lot of things to just relax and listen to good music. It also brings the community together.	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	This is a great initiative because the people from our community and the other different communities can keep up to date with what is happening in the community especially when their are code RED FIRE EVACUATION alerts in the town because a lot of community people don't have mobile phones or radios and so this great project has the potential to save lives and houses.	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I think this is an excellent idea for the community, I'm sure that other people would be in agreement for these radio poles to be erected at both proposed sights. I feel that this would also be good for the younger people in the community.	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I strongly agree with the radio poles being @ the park & swim beach	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Hi I think this a great idea yes I support it 100%	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Great idea, this will help the community learn language through the Miriwoong language programs on Waringarri!	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Let's support our wonderful local radio station in getting their messages, music and educational programs out there. The radio towers would also be helpful to broadcast messages during disasters e.g. last week's bushfires	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Yes! Sounds amazing should happen!!	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	What a great idea all for it !	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	this is a fantastic idea. everybody loves to listen to music and this may attract more people to go out and be more active	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	This would be great - and help the community in times of crisis such as the bushfires on the weekend!	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	Great idea. I support this initiative.	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I fully support this project	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	This is a fantastic opportunity for children to have music broadcast whilst doing activities in the park. I fully support this project.	For	
Celebrity Tree Park/Swim Beach	September 2018	Have your Say webpage comment	I strongly agree	For
