OCM 28/07/15	Carl Askew	Mediterranean Fruit Fly Eradication Program	That Council consider entering into a Memorandum of Understanding with DAFWA and industry on the following basis: 1. DAFWA continues to fund and maintain the current medfly surveillance program. 2. SWEK will fund medfly eradication programs from its biosecurity reserve, with a maximum exposure being those funds available in the reserve in excess of \$200,000 i.e. currently approximately \$67,000. 3. If an eradication program reduces the reserve balance to below \$200,000, industry will make good the difference to restore the reserve to a balance of \$200,000 (mechanism yet to be determined). 4. The biosecurity reserve be maintained with a balance for now of a minimum \$200,000, to serve as a form of insurance against future pest or disease incursions. 5. A reference group to be established with members from SWEK, DAFWA and industry. The role of the group would be to recommend expenditure from the reserve and to formulate policy in the event of future pest crises. SWEK Council approval would still be required before the reserve could be accessed for response to threats other than medfly.	Letter sent to DAFWA advising of the decision and requesting advice on how to proceed with the eradication program, including indicative cost, and an invoice. Advice also given that SWEK will be in contact shortly to commence the consideration of entering into a MOU. The baiting program is complete and area freedom was reinstated for the area on 5th October. Industry has been notified. Invoice has been paid. In relation to the MOU, DAFWA have requested for an interim group to be formed to progress this - feedback from industry has been minimal. ORDCO are interested in assisting where possible and have volunteered to talk with growers to get some industry participation. Incident debrief was held 19 November 2015. Discussions have occurred in early September regarding the establishment of biosecurity reference group. Department of Agriculture currently liaising with stakeholders.	20-Feb-17	In progress
