Subject: Ad-Hoc Funeral Directors Licence

Good afternoon,

Further to my earlier email, electronic date stamp above, I wish to apply for an Ad-Hoc Funeral Directors Licence to perform the funeral of my dear friend and funeral services mentor, Richard (Dick) Edward Daniels who passed away on 1/4/2021 in Wyndham.

Dick Daniels served the East Kimberley region as the funeral director for 28 years. Between 2005 and 2010, I had the pleasure of working with him and taking over the government funeral and coronial business. I discontinued services due to the impact of the global financial crisis and the failure of my business interests in the East Kimberley in 2010.

[REDACTED]. The passing of Richard Daniels is significant for me, as it is for the community he served and his family. I have been asked by his daughter to apply for an AdHoc Funeral Director's licence to undertake the ceremony and it would be my great honour to do so.

I previously held a funeral director's licence with the SWEK and Halls Creek Shire during my years of service (2007-2010) to the East Kimberley community.

[REDACTED]
[REDACTED] the family are hoping for a funeral to occur between the 23rd and the 30th of April, as empowered by the completion of my appropriate licensing with SWEK to undertake this particular funeral.

I would appreciate a response from the Shire at your earliest convenience. I meet all the criteria to undertake the funeral in accordance with the Local Board directives and the Australian and National Funeral Director's Code of Ethical practice.

Obviously, the facilities used for the storage of the deceased will be the same as for your incumbent licensed funeral director, the Kununurra and Wyndham Hospital mortuary.

Please find attached my application for an ad-hoc funeral director's licence and proof of funeral director's public liability insurance.

I will furnish you with my Police Certificate and that of my partner, Margaret Adamson, upon knowing of your receipt of this email.

Richard Daniels is a dear friend. I consider his employ, mentoring, support, and training of me as the regional funeral director for the Kimberley, between 2005 and 2007 to have been second to none. I won and held the contract in my own right between 2007 and 2010.

Mister Daniels' family are keen for me to perform the funeral, the community of Wyndham support the request as well, and as we would like to progress this matter forward, for the sake of the deceased, it would be great to know if my application for an ad-hoc licence will be considered and what the timeline is – we are hoping for the 27/4/2021 at this stage.

Enjoy the day!

Meldy
