Good morning Kath & Jenny

Just toughing base with you both regarding the Temporary Caravan Park and Camping Ground application. Have you had a chance to look at the number of sites required for the Show, and also the dates to be included for the application (currently only applying for temporary camping for the 9 and 10 July).

I am only asking as I need to complete the report to council; if it doesn't go up to this months meeting, then unfortunately an approval cannot be issued as the next council meeting won't be until the end of July, after the show.

Also how are you going with the COVID Event Plan? Please feel free to reach out if you get stuck or would like further information on what is required to be included.

Kind regards,

Nicole
