

Draft Corporate Business Plan 2021-2025 Community Comments on Shire Projects

ID	SCP	Project	Like / priority	Needs Refinement	Dislikes/ not a priority	Community Comment	Shire Response	Department
1	4.2.2	Undertake community perceptions survey	3			1. Hope the Shire act on the information the community provided	The Shire has integrated the results from the scorecard into the CBP as part of the review.	Strategic and Corporate Plannin
53	4.3.2	Coordinate the Integrated Planning and Reporting Framework	2					Strategic and Corporate Plannin
55	4.3.4	Implement an OHS Management Plan to improve officer safety		5		1. Should be enforced in all businesses - could concentrate on bigger issues		Human Resources and Work He
57	4.2.3	Implement the Communications Strategy				1. Shire has made good progress and these events are a great idea		Governance and Executive Sen
70	4.3.1	Customer feedback strategy: To collect, analyse and develop customer focused services	2	1		1. Follow up on requests 2. Would be good to know when things are going to get fixed	This a new action that is design to address these issues raised.	Customer Services
71	4.3.2	Project Management Framework	1					Strategic and Corporate Plannin
164	4.3.1	Review the appropriateness and effectiveness of Shire's structure and systems and implement corrective actions	2	1		1. To many bosses and not enough people on the ground fixing things		Governance and Executive Sen
166	4.3.2	Implement the Risk Management Framework		1				Governance and Executive Sen
167	4.4.3	Review and implement Strategic Resource Plans	1	2		1. Rates in town are higher than those out of town, people who can most afford to pay are paying less. People out of town use/access all the same services and their potential rents would be higher yet they pay less, seems unfair.		Financial Services
196	4.3.3	ICT - Develop customer focused corporate administration software systems						Information and Communication
198	4.3.4	Review and implement Workforce Management Plan	3	2				Human Resources and Work He
206	2.3.3	Town Centre Revitalisation	21	5		1. Need Undercover Parking 2. More toilets with change tables including in the mens as well as at KLC 3. Our town is not inviting for investors 4. Not a nice place to shop therefore people will use Katherine or Broome as their [business] base 5. More tree planting	All sugestions will be considered as part of the planning and design process	Regulatory Services
211	1.1.2	Provide suitable venues for current and future events	9	5				Regulatory Services
216	2.2.3	Undertake Strategic Land Use Planning	4	4	1	1. More houses needed, people are leaving town or not coming to town due to lack of housing. 2. New development should be require: -greywater, renewable energy, efficient appliances. 3. To better plan for town expansion for expected growth. 4. What is the Shire doing with the land on Weaber Plain Rd? is has been empty since it was built!	The Shire is working with the State Government to address the current housing shortage.	Regulatory Services
226	3.2.1	Support the East Kimberley Tourism Plan	2	3		1. More camping sites needed around town 2. We need to create more visitor accomodation, we have lost Lakeside Resort and Ibis is being sold off, this capacity needs to be replaced and more added. 3. Wyndham needs to be promoted in the plan.	The Shire's Investment Prospectus will seek to encourage investment in additional accomodation.	Economic Development
228	3.1.2	Support regular, reliable and affordable air services to the East Kimberley	16			1. Cheaper fights would be great for locals living here, it is a real issue and a reason we are thinking about moving back to Perth.	Noted	Economic Development
230	3.1.3	Advocate for improved Information and Communications Technology	5	1	1	1. Fix up the NBN in Wyndham 2. We need more capacity on OPTUS and Telstra during the dry	Action will be updated to specifically include NBN connection for Wyndham Three Mile.	Economic Development
234	2.1.2	Implement the Lake Kununurra Foreshore Plan	15	1		1. Someone needs to take the lead with Lily Creek Lagoon, maybe Wunan can fix it up with the Lakeside development 2. Fix up Lily Creek	The Shire is hoping to establish the Kununurra Foreshore Committee during 2021.	Regulatory Services
237	3.1.1	EKRA - Upgrade airside facilities to meet current and future demand	9	2		1. Bigger planes seem to be an issue in the terminal that the Shire missed when they upgraded it (seats on the plane = seats in the terminal)	Planning and design work is currently being undertaken to increase capacity in the EKRA Terminal.	Airport Services
250	3.1.1	Advocate for investment in regional transport infrastructure		1		1. How did Broome get the Cape Leveque Rd sealed? Why is the Kalumburu Rd not sealed? Shire needs to look at Broome and copy what they are doing!	The Shire has been increasing its advocacy and lobbying and State and Federal levels to seek additional funding towards roads.	Economic Development
251	2.2.1	Road Renewal Program	8	2	2	1. Road surface Weaber, Ironwood and second entrance to Lakeside 2. Muligans Lagoon Rd - Ongoing issue, poorly constructed, impact from KAI and OIA development	The 5 year road renewal program is currently being updated based on condition assesments.	Asset Management and Capital
252	2.2.1	Road Maintenance Program	12	2		1. Fix the potholes when we tel you about them not months later after the get a foot deep 2. Weaber Plains is a mess	The Shire is reviewing methods of maintenance delivery to respond to community concerns.	Operations Team
253	2.2.1	Road Upgrade and Creation Program	6	1		1. Seal the Valentine Falls Road for all year access to water holes.	Noted	Asset Management and Capital
263	2.3.3	Street Lighting Upgrade Program - including Black Spot	10					Asset Management and Capital
264	2.2.1	Drainage Renewal Program	2			1. The drain in Hidden Valley [Greybox] is disgusting	Environmental Health Officers will inspect the drain	Asset Management and Capital
265	2.2.1	Drainage Upgrade and Creation Program	2			1. There is stagnant water in the drain near TAFE not good, can this be fixed?	Environmental Health Officers will inspect the drain	Asset Management and Capital
272	3.2.2	Work with State and Federal Governments to develop a Regional Development Plan	3			1. Great to have more funding		Economic Development
274	2.3.4	Footpath Renewal Program	5	3		1. Loving the new paths 2. Can we get the path between the pump house and swimbeach sealed?	The Shiure will be working with the Department of Transport to develop an regional path strategy to atttact additional funding.	Asset Management and Capital

277	2.3.4	Footpath and cycleway Upgrade and Creation Program	15	1		1. New footpath round town is great keep up the good work. 2. The new path at the Tree Park is a trip hazard and you can't get a wheelchair onto it, needs to be fixed. 3. Lip on concrete path at CTP 4. What happened to the path at the hospital? It doesn't connect	Future stages of the Shared Path will add additional connection to the loop	Asset Management and Capital
293	3.1.1	EKRA - Upgrade landside facilities to meet customer needs	5	1		1. Can you connect the airport to the swim beach walking trail? Before Covid it was nice to stop at the airport café for a coffee during our morning walk.		Airport Services
296	3.1.1	Wyndham Airport - Renewal and upgrade airport facilities	6	1	1	1. Needs Airbus to contribute towards the project and the town	The Shire will seek to minimise the cost of airports operations on the rate base	Airport Services
315	4.4.3	Improve the management and life cycle cost of mobile plant	7					Financial Services
323	2.2.2	Improve the energy efficiency of Shire facilities	4	1		1. Connect existing solar panels to the Grid. The Library isn't connected and could be saving money.	The library is on an educational tariff and is unable to connect the solar to the grid.	Asset Management and Capital
336	3.3.4	Support the growth of childcare services to meet demand	10	3		1. This is a no brainer, why is nothing happening in this space? The Shire help back in 2000's to build the new centre but now doesn't seem to be interested. 2. This should be the number one priority for the Shire. 3. We need additional after school care in town.	The Shire is working with existing CCS providers to increase capacity as well as exploring options to support the development new centres.	Economic Development
343	2.3.5	Develop and implement a Public Health Plan	5			1. This will be great, a health community is a happy community 2. As a service provider I am looking forward to working with the Shire 3. Hope we see less mozzies	Noted	Regulatory Services
347	1.3.2	Renew and upgrade youth facilities	11	1		1. Might help with youth crime 2. Can we get a safe house at the youth centre or somewhere else? 3. Is headspace still opening in KNX?	The Shire is working with PCYC to develop additional services at the Kununurra youth hub	Community Development
349	1.3.2	Implement a Youth Strategy to promote youth services and program delivery	10	2		1. Shire needs to work with PCYC not against 2. Yes, but needs accountability for money spent and set required outcomes need to be addressed.		Community Development
351	3.3.2	Increase employment and training opportunities with the Shire for local young people	11					Human Resources and Work Health
362	3.3.3	Support Aboriginal Enterprise Development	2	1				Economic Development
370	1.1.2	Develop and implement an Art and Culture Plan	11	2		1. It would be great to get more public art around town, loving the art near Neighbourhood House and at the Hospital. 2. The Aboriginal art is great and we need more but there should also be room for some non Aboriginal art as well.	Noted	Community Development
372	1.2.3	Deliver a Community Grant Program	11	3		1. The new Grants program is great much better than before 2. Less should be going to the Muster which is not really for locals anymore 3. Would be great to have more funding	Noted	Community Development
377	2.1.3	Implement the Waste Management Strategy	11	1		1. Use dual bins to support the containers for change program. The Shire could ask Clayton to empty the containers for change bins so would not have any ongoing cost to the Shire. 2. Disposal of batteries in landfill sites can result in the release of toxic substances into groundwater and the environment. Shire should encourage people to recycle by putting recycle tubes around town. 3. Can we work with local businesses to reduce waste along side this? the State plastic ban will help this. 4. Can the Shire capture the rubbish from the drains so it doesn't get into the lake and waterways? 5. Improve waste management particularly recycling		Operations Team
399	2.3.1	Implement a Community safety and crime prevention Plan	10	3	1	1. Sort out the car theft in town.	The CSCPP will aim to increase safety messaging including car theft.	Community Development
417	2.1.1	Support the management of emerging and ongoing biosecurity issues	5	1		1. The border control is a joke. If Ag industry is to expand, more control is needed to protect this industry. 2. Can the Shire do anything about the neem trees and cane toads? Its so sad to see the damage to the Kimberley from these invaders	As the Ord Irrigation Area expands the State Government will provide additional border and regional biosecurity measures.	Ranger and Emergency Service
440	1.1.3	Record heritage places and promote their conservation	11	1	1	1. Shire seem to remove more heritage places than protect them, so sad looking at what is left in the Port		Regulatory Services
444	1.2.1	Recreation and Open Space Renewal Program	24	5		1. Cater more for under 5 year olds in parks etc. 2. More public toilets 3. More stuff for kids in town, everything is in Lakeside, Pindan Park needs some TLC 4. Finding and tapping into bores around the area. I have knowledge where they are. 5. Create more fishing spots	The Shire is planning to undertake improvements to CTP to improve disability access.	Community Development
448	1.2.1	KLC - Renewal and upgrade Kununurra Leisure Centre	8	2		1. Change tables in ALL toilet facilities (M & F) 2. Needs a café at the centre with counters pool side and town side (2 income streams) 3. Pool slides needed in the centre 4. Better security fencing 5. Café located on the fence line enabling patrons from the pool area or from the street to access. 6. Indoor soft play at the leisure centre linked to a café	The Shire is considering all these options as part of the renewal and upgrade program.	Community Development
460	3.1.3	Development of the Kununurra airport enterprise precinct	6	2		1. Make sure the blocks are bigger than the ones you did on Weaber Plain Rd	Noted	Airport Services

471	2.2.1	Boat Ramp and Jetty Renewal Program	12	1		1. Time will tell if you do it 2. will be great to see the new ramp in Wyndham 3. Can we get a new ramp at Swim Beach? The one in town is great but the Lagoon is closing up and its hard to get bigger boats through the Lagoon now.		Asset Management and Capital
487	4.3.3	Coordinate regular reviews of Shire services and development of Service delivery Plans	3	4		1. Shire needs a conservation strategy to include maintaining biodiversity and careful fire management. 2. Can the Shire support Clubs and Corporations with governance in town? Many clubs need help with how to run meetings, AGMs, accounting etc. For member to access this help it would ideally be outside work hours. 3. I think Kununurra needs a town hall we can hire, KLC is always booked out 4. Valentines Falls Estate "Kirby's Rapids" needs: - green area, lighting, steps, picnic benches, possible walk/bike track to move safely around estate on foot/bike.	Noted	Governance and Executive Ser
550	3.2.4	SWEK Investment Prospectus	4	2		1. Nothing about Wyndham 2. More Wyndham based projects to attract more residents/ development and investment	Ensure that Wyndham Port expansion is highlighted	Economic Development
575	1.2.1	WLC - Renew and upgrade facilities at the Wyndham Memorial Swimming Pool and Ted Birch Youth and Recreation Centre	10	1		1. A new enterance is needed to be better disability compliant	Noted	Community Development
584	4.3.3	Establish, monitor and assess annual CEO performance expectations	4			1. Pay needs to be linked to performance, if he does a good job reward, otherwise slash pay		Governance and Executive Ser
