Dear Mr Hawes,

**RE: Request for a letter of approval from the Water Corporation WA to create a Dog Exercise Area on Lot 843 Lakeview Drive (Reserve # 46172).**

The Water Corporation is aware that the Shire of Wyndham East Kimberley – Ranger Services is applying to the Shire Council to create a Dog Exercise Area, situated at Lot 843 Lakeview Drive (Reserve # 46172).

The reserve area is currently a "Walk Trail" and allowing people to have their dogs off lead will enhance the walking experience, provide further areas for people to exercise their dogs safely and satisfy community requests for more Dog Exercise areas.

Shire of Wyndham East Kimberley have agreed to comply with all requirements of the Dog Act 1976, Dog Regulations 2013 and Local Government Act 1995.

The Water Corporation supports the proposal by the Shire of Wyndham East Kimberley to create a Dog Exercise Area situated at Lot 843 Lakeview Drive (Reserve # 46172).

Yours faithfully
