## 12.3. PLANNING AND COMMUNITY DEVELOPMENT

### 12.3.1. Proposal to Lease portion of Lot 707 Drovers Road, Kununurra

<b>DATE:</b>	22 August 2023
<b>AUTHOR:</b>	Senior Planning Officer
<b>RESPONSIBLE OFFICER:</b>	Nick Kearns, Director Planning and Community Development
<b>ASSESSMENT NO:</b>	A2859
<b>DISCLOSURE OF INTERESTS:</b>	Nil
<b>COUNCIL'S ROLE IN THE MATTER:</b>	Regulator - enforce state legislation and local laws
<b>VOTING REQUIREMENT:</b>	Simple Majority

### OFFICER'S RECOMMENDATION

**That Council:**

- 1. Offers the Gourmet Camp Oven Experience a 10 year lease over a portion of Reserve 30290, Lot 707 Drovers Road, Kununurra to the Gourmet Camp Oven Experience subject to:**
  - (a) consent from the Minister for Lands;**
  - (b) local public notice of the proposed disposition being given in accordance with the Local Government Act 1995; and**
  - (c) lease rent to be in accordance with a current market rental valuation.**
- 2. Authorises the Chief Executive Officer to negotiate the lease agreement, finalise and affix the common seal.**

### PURPOSE

For Council to consider a proposal to lease a portion of Reserve 30290, Lot 707 on Deposited Plan 217504, Drovers Road, Kununurra.

### BACKGROUND/ PREVIOUS CONSIDERATIONS BY COUNCIL/ COMMITTEE

The subject site is part of Reserve 30290 which is for 'racecourse, recreation and sporting clubs' and the Shire holds the management order with power to lease for a maximum of 21 years, subject to consent from the Minister for Lands.

The Shire was approached by Josh Melville, who operates the Gourmet Camp Oven Experience, early in 2022 seeking a 'quintessential' Kimberley location from which to operate from the 2023 tourist season and beyond. Due to legislative restrictions in relation to the Reserve, the Shire was not able to issue a commercial lease or licence at that time. The

operator sought assistance from the Department of Planning, Lands and Heritage, who subsequently issued a section 91 licence, with Shire and existing lease holders consent, over a portion of Reserve 30290, Lot 707 Drovers Road allowing the business to operate from the site for twelve months.

Early in 2023, the operator contacted the Shire querying whether a permanent lease/licence could be negotiated over the area where he currently has the section 91 licence. The Department of Planning, Lands and Heritage have advised the Shire, that the Minister for Lands may consider the Shire leasing or licensing the site to the operator without a change of reserve purpose, on the provision that:

- (a) the lease or licence is for a limited term to allow the Department to review the operation over time;
- (b) the Shire submits;
  - (i) a draft/lease licence to the Department for prior approval (prior to sending through to the Minister for Lands)
  - (ii) a proposal demonstrating how use of the Crown land for complementary commercial purposes will provide community benefit.

Consent from both the Race Club and the Kununurra Campdraft and Rodeo Association (KCRA) has been provided, with a condition from the KCRA that the operator should be aware that during the annual campdraft events, animals will be located within the existing fenced area and that the operator of the Gourmet Camp Oven Experience should also fence the proposed lease area with stock proof fencing to reduce property damage. The operator has raised no concerns with this requirement.

The Gourmet Camp Oven Experience currently operates between 4 and 7pm, 6 days per week during the dry season, typically between mid-April to mid-September, catering to a maximum of 13 guests per dinner. This includes a pick and drop off service for guests either from their accommodation or a selected meeting point in Kununurra.

The Gourmet Camp Oven Experience consists of mainly temporary structures, camp oven and fire pit as well as a portable toilet and hand basin.

The proposed lease will be for 'complementary commercial purposes', which is reflective of the low scale and low impact of the experience on the surrounding area.

Rental income received from the lease of this area, will be set aside in a reserve for the management of, and improvements to, Reserve 30290. Additionally, it is relatively low impact, occupying minimal land area, with limited permanent infrastructure, and operating during the 'dry season' only. It is considered that a 10 year lease is reasonable for the business to get established and for the Department and the Shire to monitor the operation.

## **STATUTORY IMPLICATIONS**

### *Land Administration Act 1997*

The *Local Government Act 1995* provides for leasing under section 3.58 Disposing of Property and the *Land Administration Act 1997* provides for the leasing of Crown reserves for one or more purposes of public interest.

Reserve 30290 is reserved under the *Land Administration Act 1997* for the purpose of “racecourse, recreation and sporting clubs”. The Shire holds the management order for this reserve with power to lease for a maximum of 21 years, subject to consent from the Minister for Lands.

Both the Kununurra Race Club and Kununurra Campdraft and Rodeo Association (KCRA) have community leases, with a shared licence area. The proposed lease area is within the shared licenced area.

### Local Government Act 1995

Under section 3.58 of the *Local Government Act 1995 (LGA)*, the local government can only dispose of property via the following methods:

- to the highest bidder at public auction; or
- to the person who at public tender called by the local government makes what is, in the opinion of the local government, the most acceptable tender, whether or not it is the highest tender; or
- by first giving local public notice (2 weeks) of a proposed disposition, and considering any submissions made.

Local public notice of the proposed disposition will need to be undertaken and include:

- (a) the names of all other parties concerned; and
- (b) the consideration to be received by the local government for the disposition; and
- (c) the market value of the disposition -
  - (i) as ascertained by a valuation carried out not more than 6 months before the proposed disposition; or
  - (ii) as declared by a resolution of the local government on the basis of a valuation carried out more than 6 months before the proposed disposition that the local government believes to be a true indication of the value at the time of the proposed disposition.

Council is required to consider any submissions received during the public notice period, make a decision, and record the reasons for the decision in the Council meeting minutes.

## **POLICY IMPLICATIONS**

### CP/PMG-3781 - Leasing of Council Managed/Owned Land - Commercial

This policy applies to all leases between the Shire and a private individual or enterprise where the property will be used for a commercial activity.

## **STRATEGIC IMPLICATIONS**

The proposal supports the *Strategic Community Plan 2023-2033* in relation to:

- inspiring growth and prosperity within the Shire
- promoting and supporting ecotourism which conserves country and promotes our culture

## **RISK IMPLICATIONS**

**Risk:** Failure to make Council decisions which allow for efficient and effective use of operational resources to deliver services which meet the needs of the community and region, comply with statutory requirements and promote economic and social development.

**Control:** Ensure council decisions consider efficient and effective use of resources, including the disposal of excess resources, and comply with statutory requirements.

## **FINANCIAL IMPLICATIONS**

A market rental valuation will be required to be undertaken.

It is recommended that rental received from the leasing of this area be set aside in a reserve for the management of and improvements to Reserve 30290.

## **COMMUNITY ENGAGEMENT**

Public advertising to dispose (lease) of the land, with the opportunity to appeal the decision, will be undertaken in accordance with the Shire's Community Engagement Guidelines and legislative requirements, once a lease has been negotiated.

## **COMMENTS**

A decision to lease a portion of Reserve 30290, Lot 707 will require public notice to be given of the proposed disposition. During that advertising period of two weeks, submissions may be lodged and these must then be considered by Council before a final determination is made. If no submissions are received during the advertising process, the determination will stand and the disposition process may proceed, noting that the Minister for Lands must also approve the lease.

The subject site is identified as a preferred location due to its distinctive scenic value, offering a uniquely East Kimberley location with boab trees, rugged landscape and views of Elephant Rock. It is proposed to use the landscape as a backdrop to a unique dining experience, enabling both locals and tourists to view Elephant Rock and its surrounds from a different perspective.

The proposal is to operate only during the dry season, typically between mid-April and mid-September, six days per week. Each dinner will run over a 3 hour period, catering for a maximum of 13 guests per dinner with guests transported to and from the site by the operator. The impact of the operation on the area is mitigated by the operating period and times and likewise the vehicular impact is reduced due to the operator providing transport to and from the site.

Both the Kununurra Race Club and Kununurra Campdraft and Rodeo Association (KCRA) have provided written support for the issue of a permanent lease to the Gourmet Camp Oven Dinner in this location. The KCRA did note however that the operator was to be aware that

during the annual campdraft (late July/early August), the fenced area will be heavily stocked with cattle and that it is recommended that the Gourmet Camp Oven Experience area should be fenced by the operator with stock proof fencing to reduce property damage. The operator has raised no concerns with this requirement.

It is proposed that any rental income received from the proposed lease would be used to maintain and provide improvements to Reserve 30290.

The proposal will promote the uniqueness of the East Kimberley by utilising and promoting local produce, supporting and fostering local businesses and operations. Similarly, the experience will respect the landscape and conservation value of the area by being a relatively low impact operation, requiring minimal land area (footprint), clearing and infrastructure to establish the experience, further ensuring the sustainability and protection of this area.

## 12.5. INFRASTRUCTURE

### 12.5.1. Intersection of Weaber Plain Road and Mulligans Lagoon Road

<b>DATE:</b>	22 August 2023
<b>AUTHOR:</b>	Director Infrastructure and Strategic Projects
<b>RESPONSIBLE OFFICER:</b>	Director Infrastructure and Strategic Projects
<b>ASSESSMENT NO:</b>	NA
<b>FILE NO:</b>	RD.07.7
<b>DISCLOSURE OF INTERESTS:</b>	NIL
<b>COUNCIL'S ROLE IN THE MATTER:</b>	Leader - plan and provide direction through policy and practices
<b>VOTING REQUIREMENT:</b>	Simple Majority

#### OFFICER'S RECOMMENDATION

**That Council requests the Chief Executive Officer to initiate discussions with relevant landholders, to procure land for the purpose of relocating a 'T' junction at the intersection of Weaber Plain Road and Mulligans Lagoon Road, approximately 550m North of the existing 'T' junction, noting:**

- **The exact location of the proposed 'T' junction will be determined subject to land access agreements with landholders**
- **All costs and claims are to be reported to Council prior to any land exchange process**
- **Land negotiation includes the Closure of the redundant section of Mulligans Lagoon Road, which may form part of a land exchange process.**

#### PURPOSE

The Council provides direction to the administration in progressing discussion with landholders on the development of a direct 'T' intersection of Weaber Plain Road and Mulligan Lagoon Road.

#### BACKGROUND/ PREVIOUS CONSIDERATIONS BY COUNCIL/ COMMITTEE

This matter has previously been discussed by Council 07 February 2023, and 08 August Briefing. Staff require an acknowledgement (via formal approval of Council) in order to proceed into negotiations with landholders. This item seeks that formal direction of Council.

The current intersection is located 10.526 SLK on Weaber Plain Road. There have been ongoing user complaints about site distances at this location, resultant in a Safety Audit 2019 by Donald Veal Consultants (DVC), the outcomes of which suggested application for blackspot

funding for rectification measures. A blackspot application was made for corrective measures and was successful pending construction, at the existing location.

It is also understood that there is local interest in development of a cotton gin that may require the development of Mulligans Lagoon Road to a Restricted Access Vehicle (RAV) standard or extraordinary use. This may require, in conjunction with community safety concerns, the relocation of the Mulligans Lagoon intersection to a more favourable location for large turning vehicles, at unknown volume.

It should be noted that this preliminary request is to seek a road corridor only, not construction the intersection.

### **STATUTORY IMPLICATIONS**

*Road Traffic Act 1974, Local Government Act 1995  
Land Administration Act 1997*

### **POLICY IMPLICATIONS**

Nil

### **STRATEGIC IMPLICATIONS**

This matter relates to the following sections of the *Strategic Community Plan 2023-2033*:

**Focus Area:** SUSTAINABILITY

**GOAL OUTCOME 7.1:** Transport connections - People and goods are able to move freely in and out of the East Kimberley

**STRATEGY 7.1:** Advocate for the planning and funding of future transport infrastructure connecting to East Kimberley

### **RISK IMPLICATIONS**

**RISK:** Failure to make Council decisions which allow for efficient and effective use of operational resources to deliver services which meet the needs of the community and region, comply with statutory requirements and promote economic and social development.

**CONTROL:** Forward plan development with a view to future development and funding capabilities.

### **FINANCIAL IMPLICATIONS**

Discussions will not require any funding. Discussion will formulate a basis for constant development for the process of land swap, survey, legal agreement, heritage, environmental costs, and any matters raised by existing land holders.

## **COMMUNITY ENGAGEMENT**

No wider community engagement is required. Engagement will be directly with the existing landholders.

## **COMMENTS**

A concept plan has been provided that demonstrates an 800m radius to a perpendicular approach to Weaber Plain Road. This is based on a 7.2m seal, 1m sealed shoulders and a 3m batter slope. Passing lane, approach and departure lanes have been added, although traffic volume will dictate lengths and needs, as will time of use and potential lighting requirements.

Concept alignment has been selected primarily on site line and braking approach for large vehicles. Locations to the north would require removal of the existing molasses pond and possibly existing industrial infrastructure. Locations to the south would require removal of existing residences and also place the intersection in proximity to the existing curve whilst adding additional turning movements to the approach creating a more complex set of curves that currently exist. The current concept attempts to reduce land complexity, removes 50% of an existing shed and provides the best road alignment fit.

From briefing discussion, it is understood that Council prefers an option for construction further to the North of the Concept location, however, *any* location will be totally subject to the existing landholders.

It is understood that multiple options may avail during discussion with landholders, the final outcome(s) to be approved by Council. The intent of this item is to obtain a formal direction from Council to proceed (or not).

**That Council endorses the 'Shire of Wyndham East Kimberley, Playground Strategy, 2023 - 2028'**

### **PURPOSE**

For Council to endorse a strategy.

### **BACKGROUND/ PREVIOUS CONSIDERATIONS BY COUNCIL/ COMMITTEE**

This item, with public consultation, was presented to Council Briefing 08 March 2022, and 08 August 2023.

### **STATUTORY IMPLICATIONS**

*Local Government Act 1995, Part 3, Division 1, s.3.1. General function*

- (1) *The general function of a local government is to provide for the good government of persons in its district.*
- (2) *The scope of the general function of a local government is to be construed in the context of its other functions under this Act or any other written law and any constraints imposed by this Act or any other written law on the performance of its functions.*
- (3) *A liberal approach is to be taken to the construction of the scope of the general function of a local government.*

## **POLICY IMPLICATIONS**

Policy 4010 Asset Management Policy

## **STRATEGIC IMPLICATIONS**

This matter relates to the following sections of the *Strategic Community Plan 2023-2033*:

**Focus Area:** LIVEABILITY

**GOAL OUTCOME 2.2:** Access to sport and recreation facilities and services - Sport and recreation facilities and services are accessible and well maintained

**STRATEGY 2.2:** The Shire will collaborate with a wide range of stakeholders to advocate and provide accessible facilities that support a range of sporting and recreational activities

## **RISK IMPLICATIONS**

**RISK:** Failure to adequately resource and manage funding requirements which meet the needs of the Shire's service delivery requirements and strategic objectives.

**CONTROL:** Develop strategies that set foundation for development of asset management plans, and development of long term financial plan.

## **FINANCIAL IMPLICATIONS**

If the Playground Strategy is endorsed, a 10 year plan will be developed, including new asset, asset replacement and asset removal. Any future development will be required to comply with the Playground Strategy.

## **COMMUNITY ENGAGEMENT**

Engagement has taken place in accordance with the Community Engagement Guidelines and included:

- Advertising of the Strategy was placed on the Shires Web Page and on Facebook.
- The Strategy was developed with consultation of the Executive Management Team
- The Draft Playground Strategy was delivered to Briefing prior to seeking public comments
- Public Notice was given on the proposed draft document, and upcoming meetings
- A media release (via Shire digital release) was provided
- Direct mail drops were provided for the public consultation phase (Attachment 4)
- Fact Sheet Q & A developed and distributed with mail drop (Attachment 3)
- Survey of comments undertaken and collected for this presentation to briefing (Attachment 2)
- Public meetings held in Kununurra 07 November 2022, Wyndham 08 November 2022, and again in Wyndham 28 July 2023 (one on one meetings)

## **COMMENTS**

It is important to note that the Playground Strategy *is not* a playground design document. The Strategy describes what the Local Government will look at when developing the asset plan, and when designing a playground. When design of a playground is undertaken it will need to consider the components of the Strategy, and how the recommendations of the plan are implemented. It also describes what needs to be done when removing a playground. This is effectively the Councils (and communities) forward planning dictate to the administration.

The Draft Playground Strategy 2022 - 2027 has previously been presented to briefing of Council 08 March 2022 and 08 August 2023, and as a result put to community consultation, the results of which have been compiled and presented at the August Briefing.

Comments received from Council have been included, or modified in the Strategy document.
