To Whom It May Concern

The Wilinggin Aboriginal Corporation (WAC), wish to confirm the support and approval regarding the renaming of the current signage, 'Barnett River Gorge', located along the Gibb River Road, 30kms east of Barnett Roadhouse.

WAC wishes to endorse the new name of **Jingarrin** to replace Barnett River Gorge to acknowledge and show respect to the traditional owners, the Ngarinyin people and their culture.

According to the Ngarinyin people, Barnett River Gorge was always known to them as **Jingarrin**.

If you have any further queries, I would encourage you contact our Chief Executive Officer, Warren Greatorex on 0432 626 451.

Kind Regards,

Desley Gallagher
