An invitation

It is again my pleasure to invite all Elected Members, CEOs and Senior Managers to attend the 2018 WA Local Government Convention, scheduled for Wednesday, 1 – Friday, 3 August at the Perth Convention & Exhibition Centre (PCEC).

Themed Ready & Relevant, the program encourages delegates to reflect on where we are as a sector, and plan for the challenges ahead. An energising line up awaits us, including plenary speakers Anh Do, Dr Geoff Raby, Mark McCrindle, Billie Jordan, and we will welcome back Paul Huschilt and his World Famous Conference Ending Summary. The concurrent sessions will discuss contemporary and sometimes controversial topics, while the overarching conference format provides opportunity to converse, debate, discuss and to share ideas in a welcoming and professional forum.

The event gets underway with WALGA's AGM, followed by two days of plenary and concurrent sessions. Following their popularity in 2017, we are again offering a number of field trips alongside our concurrent sessions. A key change to this years' program is the Gala Dinner moving from the Friday night to the Thursday night and I encourage you to join us for a night of good fun.

A significant contingent of industry suppliers will make up the trade exhibition to show off their latest offerings to the Local Government sector. I encourage you to take this once a year opportunity to meet with these valuable suppliers and be updated on what is currently available.

I would like to express appreciation for the valuable support provided by the Convention Founding Partner LGIS, Principal Sponsor Civic Legal and our Supporting Sponsors, Synergy and the Department of Local Government, Sport and Cultural Industries.

The 2018 WA Local Government Convention is an excellent opportunity to learn, meet with friends and have some fun.

I look forward to seeing you in August.

Keynote speakers

Anh Do

Anh Do arrived in Australia aged two, on a small fishing boat heaving with 47 other Vietnamese refugees, dehydrated and starving, terrified by pirate attacks, and grieving, having lost one young man at sea.

Many of you will be familiar with his story, having read his award-winning autobiography, *The Happiest Refugee*.

Despite a challenging start, by the time he was 30 years old, Anh Do held a Bachelor of Business and a Bachelor of Laws, and was voted Australian Comedian of the Year.

His lived experience is truly a story of resilience, grit and optimism - from language difficulties to an absent father, from being broke to being bullied, from starting life as a refugee to becoming one of Australia's best-loved personalities.

Dr Geoff Raby

Chairman and CEO of Geoff Raby & Associates (Beijing); Former Australian Ambassador to China

Dr Geoff Raby was Australia's Ambassador to China from 2007 to 2011. Following completion of his ambassadorial term and after 27 years in the public service, mostly with the Department of Foreign Affairs and Trade (DFAT), Geoff resigned to establish his Beijing-based business advisory company – Geoff Raby & Associates Ltd.

In China, Geoff serves as Co-Chair of Corrs Chambers Westgarth's China practice and as Vice Chairman of Macquarie Group (Greater China).

Geoff is a member of the non-for-profit Advance Global Advisory Board and a member of the University of Sydney's China Studies Centre Advisory Board. He is currently Vice Chancellor's Professorial Fellow at Monash University.

Geoff was a Deputy Secretary in DFAT from 2002 to 2006, holding a number of senior positions including First Assistant Secretary, International Organisations and Legal Division (2001-2002); Ambassador and Permanent Representative to the World Trade Organisation, Geneva (1998-2001); First Assistant Secretary, Trade Negotiations Division (1995-1998); and APEC Ambassador from November 2002 to December 2004. He was head of the Trade Policy Issues Division in the OECD, Paris, from 1993 to 1995.

Mark McCrindle

Mark is an award-winning social researcher, best-selling author, TedX speaker and influential thought leader. He is regularly commissioned to deliver strategy and advice to the boards and executive committees of leading organisations in Australia and overseas.

Mark's understanding of the key social trends as well as his engaging communication style places him in high demand in the press, on radio and on television shows, such as Sunrise, Today, The Morning Show, ABC News 24 and A Current Affair.

His research firm counts amongst its clients more than 100 of Australia's largest companies and his highly valued reports and infographics have developed his regard as a data scientist, demographer, futurist and social commentator.

Billie Jordan

Founder of the Hip Op-eration Crew

After surviving an abusive childhood and repeated trauma in the Christchurch Earthquake, Billie Jordan used these experiences as a catalyst for improving the lives of people in her community. She established The Hip Op-eration Crew; a hip hop dance group consisting of members aged 73 to 98 years old.

Billie was the New Zealand Woman of the Year in 2016/2017, a recipient of a Queens Honour (MNZM) in 2016 and received the New Zealander of the Year award in the Local Hero category in 2015. Billie will share her inspiring story of how she changed the lives of her elderly neighbours and how they changed hers.

Paul Huschilt

At this year's WA Local Government Convention we're welcoming back our favourite Canadian speaker. Paul Huschilt is returning to help close our conference in his unique way. If you haven't seen him before, he'll be presenting a summary of everything you've seen and heard over the two days. But it's not your average recap of facts.

Paul's World Famous Conference Ending Summary is created throughout the Convention. He gathers and writes his notes as the program unfolds. He then weaves it together into a one-of-a-kind comic summary. With his quick wit and inventive style, all of the key learnings, messages, and events are played out as an insightful and hilarious outsider's take on what we experienced at the conference.

Paul believes strongly that laughter helps people remember. His mission is to send you home thinking about everything that happened at the Convention so that you're not just Ready and Relevant, you're also laughing. A lot.

Panel Session

Mark Latham

Mark Latham was the Member for Werriwa (1994-2005), a Labor shadow minister (1996-98 and 2001-2003) and Leader of the Opposition (2003-2005). Since leaving parliament, he has been a columnist for various newspapers, including the Australian Financial Review (2007-2015) and Sydney's Daily Telegraph (2016 -2018).

In 2017, after being banned by Rainbow Labor from speaking at ALP events in Western Sydney, Mark Latham joined the Liberal Democrats, the party of freedom.

Jacqui Lambie

Jacqui Lambie was born in Tasmania, and was raised in a public housing estate in Devonport. She served 10 years in the Australian Army before injury forced her out of uniform. Jacqui was elected as a Senator for Tasmania at the 2013 federal election representing the Palmer United Party. Her term began in July 2014 and in November 2014, she resigned from the Palmer United Party to sit in the Senate as an independent. In May 2015, she formed the Jacqui Lambie Network political party, established with herself as its leader. She was re-elected to the Senate in 2016. On 14th November 2017 she resigned from the Senate after it was confirmed she was a dual national by descent. Liam Bartlett

Award winning broadcaster/journalist and 60 Minutes reporter/presenter

A Bachelor of Economics from the University of WA and a Churchill Fellow, Liam has spent 30 years working in the media across the three major forms of news delivery... television, print and radio.

His previous roles have included hosting the WA edition of 7.30 Report for ABC TV, news anchor for Channel Nine Perth, host of ABC 720's flagship statewide morning current affairs program, host of Radio 6PR's morning program, a long time columnist for the Sunday Times and for years he has lived life mostly out of a suitcase for the Nine Network's prestigious public affairs program '60 Minutes'.

Convention Breakfast – Brad Hogg

Born in Narrogin, Brad grew up on a farm near Williams and is a former pupil of Aquinas College. He made his first class cricket and domestic limited overs debut for Western Australian in February 1994. He was primarily a left arm wrist spinner (chinaman) bowler and a capable lower order left-hand batsman and excellent fielder.

Brad made his mark in the Australian One Day team replacing Shane Warne in 2003. He also represented Australia touring Sri Lanka and India in 1996, and then spent seven years in the wilderness, before returning to the team in 2003. No other Australian player has waited so long between matches.

At age 40 he made a comeback to cricket in 2011 when he was asked to join Perth's new Big Bash team, Perth Scorchers. He instantly became something of a cult hero at the WACA with crowds chanting 'Hoggie, Hoggie' every time he touched the ball. His stunning performances caught the attention of Australian cricket officials and he was selected to play for Australia in the 2012 Twenty 20 squad. Rarely has a player retired from playing cricket, been out of the game for three years, and then regained a place in the Australian team.

At 45+ plus years of age Brad shows no sign of slowing down and has a mantra to play to 50 years of age at the highest level he possibly can. In a motivating, inspiring and entertaining presentation Brad takes you on a journey of his highs and lows, the people who inspired him along the way, what the baggy green means to him and Australia, how he deals with nerves, change room pranks and anecdotal tour stories.

SESSION 4 CONCURRENT SESSIONS

Leading Local Economies

The session will explore the important role of Local Government in sustainable economic development. Speakers from academia, business and Local Government will provide short presentations and participate in a facilitated discussion about the role that Local Government can play in leading their local economy on a path to sustainable growth.

Too Toxic to Talk

We've all come across them: they are the people who drain you of energy instead of enriching you, the people who pull you down instead of raising you up, the people who require more than they can provide; the negative, whining, needy, manipulative people who can turn a happy day into a living hell. No matter how good our people skills are in general, most of us have problems with dealing effectively with this kind of people. Even those with really sharp people skills often get caught up in the polluting relationships (personal or professional) toxic people create.

The good news is that there are effective ways to deal with toxic people and this session will provide a number of strategies to assist in these situations.

Changing Nature of Communities & Empowering your Community and Creating Great Places

We all know our communities are changing. Information is abundant, but how do we make sense of it, engage the vast diversity and apply it to our individual circumstance to create vibrant, liveable activated communities for all to enjoy?

The Office of Multicultural Interests will present on these changes and introduce Search Diversity WA, a new online tool that allows you to search and download data on cultural, faith and language statistics in WA from the Australian Bureau of Statistics Census information.

Followed by

Every place and community is different. So how can you harness the uniqueness and creativity of your citizens and make your town centre the very best it can be?

The Town Team Movement is a non-profit organisation helping 'town teams' to organise and empower their local communities by working proactively with their Local Government create active, resilient and successful places. This session will provide practical advice on how to involve your community in creating authentic great places, as well as present case studies for regional communities to consider.

The development has a strong focus on affordability and social inclusion, through provision of a diversity of housing types and tenures, including social housing and adult share houses.

How Prepared Are We?

Each year Local Governments contribute to an annual Emergency Preparedness report. The Emergency Preparedness Report is a state-wide assessment on the preparedness of the State to combat emergencies. This style of reporting started in 2012 following some catastrophic fires in the preceding fire season. WA is the only state in Australia to do such a report and since its inception it has become the sentinel document for Emergency Preparedness here in Western Australia. This session will highlight the key findings and provide an overview of the state's preparedness against a number of risks/hazards our communities may face.

There are new NDRRA arrangements coming into effect on 1 July 2018 which will impact on State and Local Governments after an eligible event. The session provides a great opportunity to hear about the latest developments and trends in the increasingly important recovery space, and will include any Machinery of Government changes to DFES and the Emergency Management agencies.

South West Native Title Settlement and Local Government

Following the very successful Aboriginal Culture and Heritage Preservation Forum run in 2017, this session will focus on the South West Native Title Settlement including what Local Government needs to know, how to engage in the process including tools and tips and what some Local Governments are doing already including the importance of Reconciliation Action Plans. Presentations will include examples of the meaningful and committed work that is already occurring in Local Governments across the State as part of the process.

Getting Professional Performance from Non-Professionals

Council Members in Western Australia have incredibly diverse careers, interests and cultures but when they come together to represent their communities, there is a universal expectation of high performance. Governing a Local Government's affairs, managing large budgets, determining levels of service, providing stewardship of substantial assets, observing uncompromising standards of personal behaviour set out in the Local Government Act and meeting high expectations of your community are all part of the day-to-day life of Council Members.

The combination of personal and civic responsibilities creates tremendous pressures that can and do impact on the ability to perform at a high level. It is arguable that Council Members share many similarities with elite amateur sportspeople as both are expected to perform at a level equivalent with professionals in their field but without the support structures or generous financial rewards and accolades commonly seen in modern politics or sport.

Dwayne Nestor is a high performance coach who spent 12 years developing elite amateur and professional athletes and worked for many years with up-and-coming talent at the Western Force. He has rare insight into the demands placed on both elite professional and elite amateur athletes and in this session will discuss the psychological mindset required for elite amateurs to achieve professional outcomes.
