Vehicle Type		Registration No.	
<small>(i.e. Kenworth Prime mover and two trailers, Hilux)</small>			
Name of Driver			

Please note that this consent is granted with the following conditions:

- A Closed Road Usage Permit is valid only when carried in the vehicle;
- Permit applies for the purpose issued and vehicle listed only;
- No responsibility will be accepted by the Shire for any bogged, disabled or damaged vehicles arising from use of the road whilst closed;
- Damage caused to the roads if used during unsuitable conditions may be debited to the vehicle owner, depending on the circumstances;
- Use of the road is to be kept to a minimum;
- Any bogged or disabled vehicle is not to be recovered until the condition of the road pavement enables recovery without damage to the road or drainage system;
- The permit holder indemnifies the Shire against any claim for vehicle damage, personal injury or any other loss arising howsoever from use of the road under this Permit.

- Maximum allowable tyre pressure for vehicle tyres is 160 kPa (24 psi)**
- The road is not to be trafficked if substantial rain has occurred on the road in the preceding 48 hours**
- The road is not to be trafficked if the vehicle's tyres make ruts in the road surface**
